## **INTRODUCTION**

Kill the Farmer-kill the Boer has a much deeper history than people realize. The slogan has its origins in the deep darkness of the underworld. The attack is not only against flesh and blood, but is aimed at the souls and spirits that live in the flesh. To remove the souls and spirits of people from the earth, the flesh of the people must be removed.

We see many examples in the Bible, for example: The very first time this idea came to light was when Satan attacked Adam and Eve. Satan was jealous and wanted to create a separation between God and man. The next example was when Cain killed Abel. Cain was a hunter and Abel was a farmer. Cain killed Abel out of jealousy and envy. If we look deeper, we find that Satan's evil spirit in Cain wanted to destroy the good spirit in Abel in order to prevent Abel from having children who would then harbor the good spirit. The “jealousy” and “envy” spirits took control of Cain’s mind. The “kill the farmer-kill the farmer” thought manifested and became actual murder. Since then, there have been many instances where Satan, whose habitat is the second heaven and earth, has incited his followers to practice the killing spell so that they could roar it out on earth. “Kill the Farmer, kill the Boer.” Kill the Sower, kill the Boer.

This book is aimed at all farmers, not just the Afrikaner. This book is not necessarily just for Afrikaners, but it is

for all children of God who trust in Yahweh(YHWH), the God of Israel.

The Bible gives us an account of the history of the Hebrew people, Israel. It is a very interesting history, but if we look at it simply as history, it remains just that, history. However, we can apply it to our physical lives and I am sure all will agree that this applies to what is currently happening in our South Africa. However, there is a much more important interpretation of this passage of scripture.

For many people it will be an eye-opener because so much spiritual information has been withheld from them.

To understand it we must enter the fifth dimension and see in our mind's eye what is happening. We are starting right at the beginning of creation in the scenario that is playing out in the spiritual realm. We are talking about a war, a spiritual war - kill the Farmer -kill the Boer has manifested as a result of the history in South Africa. Other parts of the world have not yet experienced this battle openly, but it is there. It is just more subtle and the manifestation worldwide is coming.

Yes, the victims of this war are suffering, they are in pain. incessant pain and slavery. Millions and millions, in fact billions of war victims struggle day and night trying to stay alive. Their misery and oppression know no bounds. They are bombarded with missiles that destroy souls. Their minds and bodies are consumed and filled with garbage and waste. They suffer from depression,

phobias and countless diseases. They are held in slavery. Slavery that will end in a bottomless black hole filled with unbearable fire from which there is no escape.

People! we are in a struggle for survival and we have a choice, a choice between life and death. A choice to escape the unbearable fire, a choice to escape slavery. Choose wisely, choose life.

You have probably already realized that the book is a double-edged sword between reality and spirituality. Try to see both at the same time. Satan continues to rage in the world today. It is not just a conflict between nations, races, and governments and leaders. It is not just about world domination or one world order. It is a war for the universe between two spiritual powers. There is no third force or alliances with other groups and countries in the spiritual war, it is simply a battle for eternal life or eternal death.

Satan is trying to get his “Government of National Unity” in place to destroy God’s people. Satan uses the people on earth to fight his war for him. He always has. We are like pawns in a chess game, but in this chess game we as pawns have a choice – we can decide who we will follow, and who will use us as soldiers to fight the war.

The battle began more than 7500 years ago when Satan challenged God. Satan rebelled against God and considered himself worthy of worship and as a result they became enemies of each other. Ego entered the arena and became part of life on earth. Satan was not alone. One

third of the Angels joined the ego trip. As God's enemy, Satan began to wage war against God's children and all of humanity. Satan knew that Hell would be his home forever, but he did not want to go there alone. He decided to do whatever it takes to increase the numbers who would join him in Hell. Satan hope to deceive and seduce the entire human race. and to kill and destroy and alienate them from God. The fact that Satan was able to convince one third of the Angels to go with him is an indication of his abilities to influence others. Satan and his followers were willing to give up heaven and all its benefits to satisfy their egos.

This is the same ego trap that Satan has used throughout the ages to enslave his followers. The first victim was Eve and the second was Adam. From there it all went downhill. It got so bad that God decided to destroy the earth and all its inhabitants. Only a few were saved on Noah's Ark. Ego became the weapon of mass destruction. To this day it remains Satan's most powerful weapon, since Adam and Eve plunged all people into sin. Ego has become part of every person's life. If we look around us, we see it everywhere, even in our own lives. Ego has destroyed more lives than all the atomic bombs and all the weapons since the beginning of time. Ego has destroyed more families and relationships than any other cause. Ego has condemned more people to eternal damnation than all other evils combined. It is truly a weapon of mass destruction.

The world became so bad that God (YHWH) destroyed it with the great flood and after the great flood things did not improve. It became so bad again, that God himself had to come to earth, in the form of Jesus Christ, His Son, to save the children of God. Jesus gave God's children the way to salvation. The only way they can have their future eternity secured. At the same time, the battle intensified, because Satan had to up his game to try to thwart God's plans. Satan even tried to persuade Jesus himself to worship him. If he took on Jesus, do you think he would let up? Satan's ego knows no bounds. The same ego that makes people say "I'm my own boss." No one tells me what to do, especially not Satan. These words come straight from Satan's mouth.

God warns the people that they will be destroyed for lack of knowledge (Hosea 4:6). The lack of knowledge causes people to listen to deceivers and liars. Anyone who preaches anything other than the true Gospel of Jesus Christ (Yeshua) is a liar. The enemy, the ruler of darkness, has come to kill, steal and destroy God's (YAHWEH) people. If you believe anything else, you believe a lie. For those who succeed in gaining the knowledge needed to defeat the enemy, there is victory. Victory in the Son of God, the God of Israel. All who believe in God (YHWH) are spiritual Israelites. The spiritual battle continues today, but instead of fighting the enemy, Christians are so busy building church buildings, studying doctrines, having meetings, counting money, and arguing with each other about who is right

that they don't realize they are fighting on the wrong side. They don't have enough knowledge because knowledge has been withheld from them. While this great spiritual battle rages around them, they are completely ignorant of the effect it has on their present and eternal lives. The enemy has infiltrated the church and many "Leaders" are out to keep God's people in the dark and these Leaders don't even know they are working for Satan. They are totally blinded and cannot see the truth. The battle rages on and Satan goes all out to try to fill the bottomless pit. No one will escape the attack. No one is immune. NO ONE.

God's children must be well informed and know what they are in for. Luke 14:31 says: "*What king, going to make war against another king, does not first sit down and consider whether he is able with ten thousand to defend himself against the one who comes against him with twenty thousand?*". No wise man ever entered a battle without carefully researching and making sure he was properly equipped to fight the war. You must know the enemy and his method of operation. You must be better prepared and better equipped than the enemy. Knowledge is power, and with God's power the enemy can be defeated.

Have you ever met someone who decided to go on vacation without knowing where the vacation destination is and not even knowing which road to take to get to this unknown destination? Just get in the car and drive until

the gas runs out, because there is no gas station on the chosen road.

Years ago, I was on the train and two men got on. They each had six beers with them, no luggage. I heard them talking and telling each other that they had decided they were going to give up everything and hit the road. They only had a little money with them, just enough to get on the train. They decided to stay on the train as long as possible, even though their tickets were only to the next station. They tried to go as far as possible, before they got thrown off and then they went and lived on the streets. I wonder how long they remained jovial?

How many people go through life without knowing where they are going to end up. They just go with the flow. Don't think about the end. The train is never going to stop! What happens to a tree that is swept away by the flooded river? It goes with the flow. Where does it end? Somewhere in a desolate place, to rot. Is that where you want to end up? Somewhere where you will rot away? Somewhere where the rotting will continue forever? Are you a person who chooses to live in slavery? Would any senile person do that? If you are, then you should at least read this book for your own sake just so that one day you will know what became of those people who made the right decision. If you choose to be set free, free from slavery, then you must read this book, for you will need all the knowledge to enable yourself to win the battle for eternal life and be victorious.

You might think that you are free; you can do what you want, when you want and where you want! Are you? Are you so blinded that you really think that slavery is freedom? You are in the claws of Satan and you don't even know it!

For most people to be who they are and keep their friends they have to drink, have to swear, have to tell dirty jokes and they have to live in fear, you have to be anxious, have to be discouraged, have to be sick, have to be addicted, have to live in darkness! These people are slaves to Satan! Satan influences all people and he rules most people. However, we all have a choice between Life and death. The Bible teaches us: "I call heaven and earth as witnesses against you today, that I have set before you, life and death, the blessing and the curse. Therefore, choose life that you may live." Jesus (Yeshua) said: "I am the Way, the Truth and the Life. Whoever believes in Me will live forever." Just make sure you choose the real Jesus because there are many counterfeits who pretend to be Jesus. Who is the real Jesus and who is the real God? Keep reading and you will find out.

### **WHY DID GOD CREATE THE WORLD?**

Let's look at the following scenario: God created the universe with all the angels and there was peace and harmony in heaven. Everyone worshipped, praised and glorified God. Until the day Satan rebelled. Satan and one third of the fallen angels were then cast out of heaven with the result that a void was created. God then decided

to fill the void but God wanted to make sure that those who are allowed to fill the void will not repeat what Satan did. The only way to ensure this was to create a “school” in which spirit beings are placed in human form to determine who will pass the final exam. The greatest test in this school is to overcome Satan. For only those who can overcome Satan will not repeat what Satan did.

There is only room for a number of people equal to the number of fallen angels who can return to heaven. Once this number is full, it will be the end of the world. Satan knows this and that is why he does everything possible to ensure that the number is not reached. Satan reasons that if the number is not reached, he won't have to go to the bottomless dark pit.

### **THE VISIBLE WORLD**

The world we live in and the sky that is visible to us consists of objects that are in the first, second, third, and fourth dimensions. Then there is a fifth dimension that is not visible, but we know it exists. Don't get complicated and give me blisters on my brain, you say. This is one of the first challenges we all have to overcome. Our lazy brain syndrome. Most people's brain function is blocked and it prevents them from gaining the knowledge and hearing the truth. They must first overcome this evil that causes it, before they can conquer the rest and that is why there was a prayer at the beginning of the book. We cannot do it ourselves, only God can help us.

Make it easy they say. "They" are our enemies. To overcome evil, we must be willing to seek and seek and seek until we find. This is part of what we must do to find "Life." We must use our brains that God has given us to gain the knowledge we need to overcome evil. Note; "Overcome" because knowing about the devil is not good enough. We must overcome the devil. Crush his head because if we don't, he will continue to bite us in the heel and bite us until we are bitten to death.

The natural world consists of one-dimensional objects, two-dimensional objects, three-dimensional objects and a fourth dimension, being time. All of the above dimensions are also known as the physical realm or earthly realm. What follows is a dimension we cannot see, the 5th dimension, which is called awareness/consciousness. What is awareness? The simple definition of awareness is to be aware of our surroundings. If you are aware of your surroundings around you, you are considered to be conscious. This is a physical awareness. If you become unaware, you do not know what is going on around you and you become unconscious.

We also get "conscience". What is conscience? The simplest explanation is that we are aware of what is good and what is bad. This "conscience" takes us into the spiritual realm (domain). We cannot touch it and we cannot see it. Where does it come from? The unbeliever will come up with all sorts of explanations because they perish due to a lack of knowledge. They do not know any better. They call it a "moral law", or a sixth sense.

Conscience did not always exist. Adam and Eve did not know the difference between right and wrong. There was a time when many people did not have a conscience. They were led by others and were told and taught what was right and wrong. There were only some people who did receive “conscience” from God. For those who did not have a conscience, there were more than six hundred laws to help people distinguish between right and wrong. The Creator then introduced “conscience” to all people about two thousand years ago and made it available. This conscience of which we are aware is none other than "The Holy Spirit" of God. *"The day will come," says the God, "when I will make a new covenant with the people of Israel and Judah. This is the new covenant that I will make with the people of Israel on that day. I will put my law in their minds and write it on their hearts. I will be their God, and they will be my people"* (Jeremiah 31:31). God gives His Holy Spirit to all His children. Remember “Israel” is all of God’s children, Jews and Gentiles. All who have circumcised hearts, all who trust in the true living God.

We can observe what people are doing around us and as we do so, our “conscience” will tell us whether it is good or bad, right or wrong. This is where we begin to step into the spiritual realm. The children of God receive help from God through God’s Holy Spirit. God’s children receive the gift of the Holy Spirit when they accept Jesus as Lord and Savior. Jesus promised all of God’s children that they would not be left alone on this earth. For those who are God’s children, God will send a "helper" to be with them.

The Holy Spirit lives inside God's children and helps them make the right decisions between good and evil.

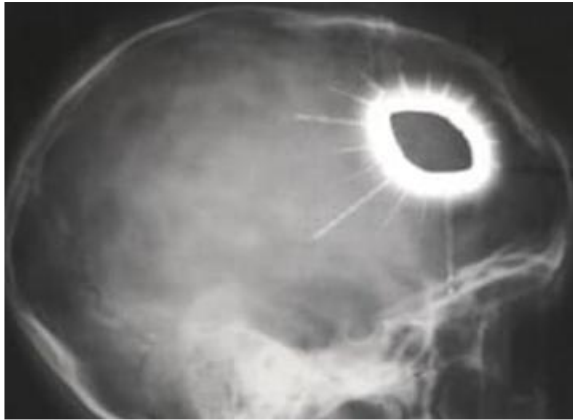

It is much more difficult for those who have rejected God to distinguish between good and evil. They have only themselves and Satan and his fallen angels to rely on. They only have moral laws that they can read and then try to live by. However, Satan constantly ensures that his children think that bad is good and that good is bad. Yes, Satan perverts everything that is good and confuses people so that they think bad is good and good is bad and yes, if you are not a child of God you are a child of Satan. There is no in between. Not even Atheists. No, they belong to Satan just like all those who do not believe in God (YHWH). Satan is very good at this. These people don't even realize that it is Satan who controls their thoughts. They think that it is themselves who can decide what is good and what is bad. Satan uses the "ego" of humanity to convince them that they are the ones who control their own lives. This can be compared to today's computers where you can download software to make the computer work. We You can get the original software that has no viruses, or you can get an illegal copy that has viruses. You can download your software from God and get the original software that will help you or you can get a virus infected copy from Satan that will destroy you. The choice is yours.

The spiritual realm cannot be expressed in physical terms. It is not a worldly dimension. Our conscience is just a link we have that we receive from the Holy Spirit,

to connect us to God and God's spiritual realm. The spiritual realm involves our mind, our soul and our spirit. Not our entire brain, but the processing of information in our thoughts. Our brain is divided into compartments. These compartments perform different functions and can influence each other. To avoid getting too complicated, we will focus on two compartments. The front of the brain performs spiritual functions and the back performs normal brain functions. How we use the front part depends on ourselves. If we fill it with Godly spiritual food then we will be with God in spirit and do what pleases Him. The people who fill it with earthly goods and impure thoughts and ideas do what pleases Satan. This is the mark on the forehead. God knows what is going on in our forehead because His Holy Spirit is in us and the Holy Spirit knows what is going on in our brain. He knows Everything. Everyone will one day give an account of everything.

Eternity is a realm in which we will live forever and ever. It is the spiritual realm. Our normal brain constantly tries to influence our spiritual brain. This is why you can pray and at the same time your thoughts wander, if you allow it. We must use everything in the physical realm to help us understand the spiritual realm. Just as God told the Priests who worked in the Tabernacle not to bring any worldly thoughts into the “Most Holy” part of the Tabernacle or Temple, so we must not let earthly thoughts enter the forefront of our minds when we worship God. We must exclude the world.

Nothing in the physical realm can destroy the spiritual realm, but in the spiritual realm there are good and evil spirits. They can lead us to eternal life or eternal death. Spirit beings have access to our brains. Satan has access to the back of our brains and God to both. Most thoughts come from outside our brains. Anything that comes in out of the blue is from outside. Unclean spirits use this to try to lead us to eternal death and to lead us away from God. In the end, all of God's children go to heaven, all who have God's mark on them. All who have the devil's mark on them go to Hell. What is the mark 666. Remember the following: what we think(**d**evil)-what we do(**d**evil)-who we serve(**d**evil). (ddd -666)

God knows what we do, what we think and go on in our brains as well as who we serve. This death we are talking about is unfortunately not death as we know it in the physical realm. It is not the process of dying. It is what happens after the dying process. The soul of believers will

go to heaven and the soul of unbelievers will go to hell and remain there for eternity. This is eternal life or eternal death. We have a soul, a spirit and a body. Our soul is the part that the war is fought over. The spirit that is in us either comes from God or it is an unclean spirit if people belong to Satan. Some people have both and some people have many. (Will get to that later).

We are taught a lot and we learn a lot about our physical realm, but very little is done to help us gain the knowledge we need to overcome evil in the spiritual realm. The knowledge we need to ensure that we live forever in the spiritual realm. Knowledge that will keep us out of and away from the bottomless pit. A pit where suffering and sorrow and pain will last forever. We become “street-wise” but not “Way-wise.” (Jesus is the Way).

There are many things that we unconsciously learn that is wrong, however like Adam and Eve, we all have a choice between eternal life and eternal death. We must choose and once we have made a choice, we must follow the path we have chosen and listen to the spirit that shows us the way.

The war is raging and the majority of people are controlled by unclean spirits. These demon-controlled people want to wipe out God's people. The demons want to try to drive out the Spirit of God. Demons can drive people completely crazy and make them do things that are illogical. They become like someone who has been

hypnotized. They are Satan's puppet show. These people do not realize that they are just puppets in a puppet show.

No one can win the war on their own. You cannot protect yourself. No money and no earthly weapon can save you. Only God (YHWH) can save us.

### **CHRISTIANS AND DEMONS**

The day we accept Jesus as Lord and Savior, we receive the gift of the Holy Spirit. On the day we are baptized, we are baptized in the name of the Father, the Son, and the Holy Spirit. At a later stage, Jesus baptizes us with the Holy Spirit. The process of sanctification and being filled with the Holy Spirit is a subject that can be misinterpreted. This misinterpretation is mainly due to a lack of knowledge. It is important that we acquire the knowledge that can help us find the truth. We should not rely on others to spoon-feed us everything, no, we should spend time with God ask God for the answers.

The biggest challenge facing the church today is the number of church leaders and churchgoers who have fallen victim to unclean spirits. The spirit of “Ego” and “Pride” is found in most people and this applies to the church as well. Evil has infiltrated the church and these evil spirits are preventing the church leaders from seeing and finding the truth.

Aside from “Ego”, the most common evil spirits among church leaders are what are called "Familial" and

"Religion" spirits. Ever wondered why Christianity is referred to as a religion. It is because, in most instances, it is just a religion like all other religions. Christianity is supposed to be a way of life and not a religion. Religion is idolatry. These familial spirits have been in existence for many generations in the persons' family and in the churches and consequently the people are completely unaware that they have familial and/or religious spirits controlling their lives. People sometimes say it is in my genes. These familial and religious spirits even convince the church leaders that they are immune to evil spirits. The moment a church leader utters those words; you should know that, that person is controlled by an unclean spirit. It is the unclean spirit speaking.

The Bible says, "My people perish for lack of knowledge." This is exactly what the evil spirits are doing to these leaders and many others in the churches. The evil spirit is preventing them from receiving the knowledge they need to set them free. In turn, the church leaders are preventing the members of the church from receiving the truth. These evil spirits are also responsible for all the confusion and misinterpretations in the churches. This is why you must trust God (YAHWEH) and God (YAHWEH) alone. Study the Scriptures and ask the Holy Spirit to reveal the meaning and interpretations to you. Work out your own salvation with fear and trembling and in prayer behind a closed door.

We are accountable to God, not to man. There are some people who are "filled" with the Holy Spirit from the day

they are saved. This can be clearly seen because they bear the fruits of the Holy Spirit, all day long, every day. The immediate filling of the Holy Spirit is rare. Why do I say this? Simply based on the fruit of the Spirit that manifest in Christians. Most Christians however go through a process of maturing as Christians. The first sign they show that they are filled with the Holy Spirit is when they begin to bear the fruit of the Spirit. Until then they are in the growth phase. We see this in the parable of the Sower: "A Sower went out to sow, and as he sowed, some seed fell along the path, and the birds came and devoured it. Some fell on rocky places, where it did not have much soil; and immediately it sprang up, but because it had no depth of soil, it withered away." They were scorched by the sun and because they had no root, they withered away. "Some fell among thorns, and the thorns choked them. But others fell on good ground and yielded a crop: some a hundredfold, some sixty, some thirty." The parable is given to help us understand what happens in people's lives when they hear God's word. Jesus is the Sower and the Word is sown, and it enters people's minds and hearts. Remember the Word is Jesus. If we let the Word of truth that gives life enter our ears and we listen to what it says to us then we will allow the Word to manifest in us. Just as Jesus came in the form of a man, Jesus can manifest in us and renew us, make us a new person. The spiritual Jesus manifests in us and we can see it by our change and our actions. The people who hear the Word but do not listen reject the Word and suppress the Word. This happens with many people.

They hear God's word, but because they have too much of the world inside them, too much darkness, too much evil, the word is choked out and it dies. This death is eternal death. If the Word leaves a person, that person is spiritually dead. People may continue to live on earth until they die a natural death, but they have already died "eternal death" because their soul is already dead and will go to hell.

One must first reach a certain level of spiritual maturity before one can be baptized with the Holy Spirit. This is for our own good because it places immense responsibility on such a person.

The question is, did people receive the Holy Spirit the moment they heard the word? If we answer yes, then we must also accept that the Holy Spirit left them at some point and why would the Holy Spirit have left them? Because they allowed evil to overcome them. While they were trying to live, was the Holy Spirit still in them, or were they trying to survive on their own steam? If we argue that the Holy Spirit did not enter them, what are we saying? At what point will the Holy Spirit enter someone who has received the word? It cannot be once the person is completely without sin. Without the Holy Spirit, no one will reach that point. This then implies that both the Holy Spirit and evil can exist in a person at the same time. In the Old Testament we see how God abandoned the Temple in Jerusalem because the people gave themselves over to Satan. The same thing is happening now because we are the Tempel of God. It also

questions the issues of receiving the “gift of the Holy Spirit” and being “filled” with the Holy Spirit. If a person is filled with the Holy Spirit, that person will not fail. God has clearly stated that He will not lose anyone who is filled with the Holy Spirit. Only God’s children can be “filled” with the Holy Spirit. This is one of the reasons why the filling with the Holy Spirit only occurs when God decides the person is ready for it. It must then be accepted that people received the "gift" of the Holy Spirit and because they allowed evil to overcome them, they lose the gift of the Holy Spirit. Remember this is not the same as the prodigal son who was saved and then lost and came back again. No, they lost the Word and then died spiritually. Remember the “Word” is Jesus. In the book, John, we read that the “Word” was always there and created the earth, nothing was made that the Word did not make. and the Word became flesh and came to live among man (Humans). Remember also that Jesus is the Sower and the Bread of life and the Fountain of living water.

The only group that survived were those where the soil was good. They grew and produced seed. In the parable of the weeds, Jesus explains that there will still be weeds among the wheat, but the wheat will survive and produce seed. The weeds will be with them until the end but will never oppress them. God's children must be able to live among and alongside the weeds and overcome. Slogans from the mouths of people with unclean spirits must not unsettle them. To produce seed, the person must have

the Holy Spirit, because it is the fruit of the Holy Spirit that is the seed. A person on his/her own cannot bear any fruit (produce no crop). This indicates a difference between the "gift" of the Holy Spirit and being "baptized" with the Holy Spirit. Those who are baptized with the Holy Spirit receive power, the power of the Holy Spirit. Acts 1:8. *"But you will receive power when the Holy Spirit has come upon you. For at that time, he had not fallen on any of them. They were baptized only in the Name of YHWH. Then they laid their hands on them, and they received the Holy Spirit."*

Those who are baptized with the Holy Spirit also receive power to overcome evil. Those who have only received the gift can lose the gift again. Being baptized does not mean you are saved, especially not child baptism. Baptism is supposed to be a sign that the person has decided to turn their back on Satan and accept Jesus (Yeshua) as Lord and Savior.

It also indicates that only those who are baptized with the Holy Spirit will be able to be witnesses for God and will receive power from God to do His work. We should not be confused and think that just because some people dedicate their lives to the church that that person is doing God's work. Unfortunately, many people work in the church for different reasons; while thinking they are working for God.

God's children are safe with God, but as soon as they allow evil into their lives, they open a gate for evil to come

in and mess with them. However, the wheat will be able to overcome the weeds if the wheat is filled with the Holy Spirit. The Bible says that it rains on everyone, good and bad, wheat and weeds. But the wheat does not live on water and bread alone, but it lives according to the Word of God. The wheat receives the Water and the Bread of life. They never go hungry and they never thirst. Evil and weeds also get water and food but their food is only earthly food.

It is interesting that all the world powers are trying to design something that will make them live forever. They want to live physically forever because they know they are spiritually dead and the day they die physically it is over. God's children, on the contrary, look forward to eternal life.

Another example is that of the prodigal son. The son decided to leave his father's house because the world seemed more attractive than life at home. The son eventually realized his mistake and returned to his father. A child of God can be lost, but will eventually return to God. God will not lose anyone who has become a child of God. This parable confirms that someone who has the Holy Spirit can go astray. God may allow evil to enter their minds and hearts for a period of time, but the Holy Spirit will continue to work in that person until the person decides to come back to God. Even with Peter, Jesus said to him: *“Yeshua said to Shim'on: "Shim'on, watch out, the adversary has asked to sift you like wheat, but I have prayed for you that your faith will not fail and*

*that when you are restored on that day, you must strengthen your brothers.*" A child of God is protected by God by means of a spiritual wall and as in the case of Job and Peter, the devil must ask permission to come in and tempt God's children. However, a child of God can disobey YHWH and open the gate and then the devil will come in and live with that child for a time until the person repents, asks for forgiveness, receives forgiveness and sins no more. The earliest mention of demons in the temple where God was present comes from Ezekiel 8:16 where demonic worshippers prayed to their demons in the temple in Jerusalem. They worshipped the sun. This all happened while God was still in the temple. God's children are now His Temple and just as it happened in the ancient Temple it now happens in the new Temple. Let's get back to the Christians in churches. Or the Prisoners. How many have been "baptized" and it made no difference in their lives? The baptism with water is not the baptism of the Holy Spirit. Only Jesus can baptize someone with the Holy Spirit. Only the seed that fell on good ground, where the seed grew and seed produced, is filled with the Holy Spirit. How many call themselves Christians, but in the end, they will be cruelly disillusioned and still perish? Jesus said, "My people perish for lack of knowledge." If Jesus said that, how can Christians argue that demons cannot affect them or enter them? Only Satan can cause you to perish by infiltrating your mind and body.

Why do they lack knowledge? Who is supposed to provide them with this knowledge? Shepherds, Ministers, Preachers, the Church? Why don't they get the knowledge? Even some of Jesus' disciples left and went back to their old ways: *"From that time many of His disciples went back and walked no more with Him. "Jesus said, "Many will say to Me, in that day, Lord, Lord, have we not prophesied in thy name, and cast out devils in thy name, and done many wonders in thy name? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity."* Matthew 7:22-23. We also read: *"Behold, the days come," declares YHWH, "when I will make a new covenant with the house of Israel and with the house of Judah, not according to the covenant that I made with their ancestors in the day that I took them by the hand to bring them out of the land of Egypt; My covenant that they broke, although I was their Lord," declares YHWH. "But this is the covenant that I will make with the house of Israel after those days," declares YHWH: "I will put My law within them and write it on their minds, and I will be their God, and they shall be My people."* Rev 21:3 *"They will no longer teach each one his neighbor and each one his brother, saying, 'Know YHWH,' for they will all know Me, from the least of them to the greatest of them," declares YHWH, "for I will forgive their iniquity and remember their sin no more."* If you are a child of YHWH, you are an Yisra'elite. (Israelite) We also read: *"Therefore I say to you that no one speaking by the Spirit of God calls Yeshua an accursed name, and no one can say, "Yeshua is the Lord," except by the Spirit who is sanctified."*

If you want to determine if someone is being controlled by demons, ask the person to say: "Jesus Christ is Lord". Satan will never admit that Jesus/Yeshua is The Master.

We must all have the burning desire to seek the truth ourselves. We must not rely on any man, not even the church. The Bible says: "*Cursed is the man who trusts in man and makes flesh his strength, whose mind, will and emotion turn away from YHWH.*" We must serve YHWH with all our mind and with all our strength and with all our might. Jesus also says, "*Call no one your father on earth.*" There are only two fathers in the spiritual realm. YHWH our Father in heaven and then there is Satan the father of all unbelievers. Satan is the father of all lies and the father of all who are not Israelites. He has perfected the lie and can disguise a lie as the truth. Satan is so good that even though God's children have the Holy Spirit to help them distinguish between good and evil as well as between lies and truth, he can still infiltrate the minds of some of God's people and convince them to believe that they are untouchable by Him. Remember we said that Satan has access to a certain part of our brain. Everyone's brain. However, Satan convinces some of God's people that they cannot be influenced by Satan or any of the demons. People who say this do so as a gesture of pride and this opens the gate for the demons to gain access to that person's brain. Satan's intelligence is far greater than that of any human. He is so clever that he is able to convince Christians that the lies and misinformation he plants in their minds are just

thoughts generated within their own minds or even they even think it comes from God. Satan convinces God's people that all the illnesses they have are just "coincidental." It's just part of life.

Everything that is bad, including all diseases, comes from Satan. YHWH is love and cannot do anything bad because then he is no longer be love. However, YHWH allows Satan to distribute diseases and make people's lives unbearable. However, Satan cannot do anything without YHWH's approval.

Things are getting more complicated now and you will need to use all your God given brain power to overcome the evil and see the lie. Pray and ask for the gift of discernment of spirits. If not, you will never be able to overcome evil. If you cannot understand this, you will never find the "abundant life" that Jesus promised to God's people. By the way, the abundant life has nothing to do with money. God hates money because money is an idol -Mammon. Money in abundance leads to sin and decay. Money should never be in abundance because those who have are supposed to help those who don't have. That doesn't mean you have to give to the church – no, you have to help people yourself. You can't piggyback on someone else's back to heaven.

Remember, it is only the Holy Spirit who can help us understand what is true. You must not believe any man. Test everything and make sure it is the truth. Even when we read the Bible. The first step is to ask the Holy Spirit

to open our minds to Him to receive His explanations. The second is to rebuke and bind Satan and all evil spirits that are clouding our minds and preventing us from hearing and receiving the truth, in Jesus' Name. Do this (out loud) and command them to stop. Remember faith without works is nothing. Demons cannot read our minds, but they can hear us when we speak. Our words manifest and drive them out.

1 John 1:9 *"If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar, and His word is not in us."* Today many Christians believe that all their sins are forgiven because they have accepted Jesus as Lord and Savior. This is not true. Jesus took away the curse of sin, but all Christians must daily confess and repent of all their sins and only the repented sins will be forgiven. It is also true that you will not stop doing something unless you confess that what you are doing is wrong. If you continue to do the same sin, you are not truly repentant, you are trying to manipulate Jesus and this is a sign of an unclean spirit affecting you. A Jezebel spirit.

Unclean spirits do not have to be inside a person to affect the person. They also work from outside the person. We are back to the Sower. We just need to quickly look again at the phrase "Kill the Sower." Remember Jesus is the Sower and Satan's goal has always been to try to kill the Sower. The seed that fell in the wrong places and died was overcome by evil. Why would evil overcome a person?

Because the person did not turn his/her back on evil and walk away from it. The person did not truly repent. James 1:21 *"Get rid of all filthiness and wickedness, and receive with meekness the implanted word, which is able to save your souls."* James is speaking to Christians. Christians must get rid of all impurity and wickedness. If a Christian cannot be influenced by Satan or any of the unclean spirits, how can a Christian be unclean or wicked? James says we must get rid of the unclean spirits in our lives. How do we do that? Revelation 2:18-24. *"And to the angel of the church in Thyatira write: 'These things say the Son of God, who has eyes like a flaming fire and feet like fine brass: "I know your deeds, your love and faith and service and perseverance, and know that your latter deeds will be greater than the former. But I have this against you, that you tolerate that woman Jezebel, who calls herself a prophetess, and teaches and seduces my servants to commit fornication and to eat things sacrificed to idols. I gave her time to repent, but she refuses to repent of her fornication. Behold, I will throw her into a bed of sickness, and those who commit adultery with her into great tribulation, unless they repent of her deeds. And I will kill her children. Let all the churches know that I am he who searches the minds and hearts. I will reward each of you according to your deeds. But to the rest of you in Thyatira, who do not hold this teaching and who have not known the deep things of Satan, as they call them, I say to you: I am not putting on you any other burden, except that you hold fast to what you have until I come. "To him who overcomes, and keeps*

*my words to the end, "to him I will give authority over the nations. He will shepherd them with an iron rod, and he will dash them to pieces like pottery. Just as I have received from my Father, so he will become like a star (angel) in heaven. "He who has an ear, let him hear what the Spirit says to the churches." God is speaking to God's children. "You allow Jezebel... to teach and deceive My servants..." God says, "I am He who searches the minds and hearts". First of all, this applies today's church as well. If someone says it can't be or that it is impossible or that it is a lie, then that person must be controlled by Satan. Only Satan will call it a lie. In Revelation 2:8, John wrote: "And to the angel of the church in Smyrna write, 'These things say the First and the Last, who was dead and came to life: "I know your works, tribulation and poverty (but you are rich); and I know the blasphemy of those who say they are Jews and are not, but are a synagogue of Satan. Do not be afraid of any of those things which you are about to suffer. Indeed, the devil is about to throw some of you into prison – that you may be tested." Again, it is written to Christians – "the devil (Satan) is about to throw some of you into prison, that you may be tested." Prison means being controlled by Satan. In Revelation 2:14 John writes, "But I have a few things against you, because you have there, those who hold the teaching of Balaam, who taught Balak to put a stumbling block before the children of Israel." It is addressed to the Church, God's children. It is not going to happen someday in the future. It is happening now in most churches as well as outside the church. Today Balaam is*

a demon, a False Prophet, a Deceiver, an Instigator. He wants to curse Israel (God's children) and uses other people to do his dirty work. Balak is patient/submissive/meekly willing to do Balaam's dirty work. To be patiently/submissively and meekly led by a false prophet (demon) means that people themselves display demonic behavior by obeying a demonically controlled person. In 1 Timothy 4:1 Paul writes: "*Now the Spirit expressly says that in later times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons.*" In 2 Peter 2: Peter writes, "*For if, after they have escaped the pollutions of the world through the knowledge of the Lord and Savior Jesus Christ, they are again entangled, the latter end is worse with them than the beginning. For it would have been better for them not to have known the way of righteousness, than, after they have known it, to turn again from the holy commandment delivered to them.*" In all these examples, it is God's children, Christians, who are being victimized by Satan and other demons like Jezebel and Balaam and are influenced and seduced by them. Christians turn away from God and back to Satan.

If you are not convinced at this point that Christians can be influenced and controlled by Satan and other demons, then you have a very serious problem. Then you are living in a state of denial and that is also a demonic influence. It could be that you are already controlled by Satan and you don't even realize it. Pray to God, repent and ask for forgiveness. Ask the Holy Spirit to help you.

Increase your knowledge by studying God's word,  
meditate on the Word.

The easiest way to accept that God and evil can be in the same place or space is the fact that God, and that includes the Holy Spirit, is omnipresent. He is everywhere. Now if God is everywhere, where are the devil and the demons? Yes! They are there too. As a Pastor preached the other day – he said that there are more demons in church on a Sunday than Christians. How can he say that? The demons come to church? Yes, they make the people sleepy, dull their minds and irritate them so that they cannot listen. If you have been deceived by your Shepherd into believing that Christians cannot be affected or controlled by evil spirits, you should hear the alarm bells ringing. Your Shepherd is under the control of Satan and his demons and he has taught you wrong. (Balaam and Balak). Walk away from that church and find the true church. If you do not have the courage to walk away, your only way out is spiritual warfare. In 2 Timothy 2, Paul writes: *“You, therefore, my son, be strong in the grace that is in Christ Jesus, and the things that you have heard from me in the presence of many witnesses, the same things I have entrusted to faithful men so that you may teach others also. Endure hardship as a good soldier of Christ Jesus. No one who serves as a soldier gets involved in the affairs of this world, that he may please the one who chose him. If anyone competes, he is not crowned unless he competes according to the rules. ...The foundation of God stands*

*firm, and this is the seal: "The Lord knows those who are his." and: "Let everyone who calls on the Character and Authority (Name) of YHWH separate himself from evil." In a large house there are not only articles of gold and silver, but also of wood and clay; some to honor, and some to dishonor; therefore; if anyone will cleanse himself from these, he will be an article of honor, suitable for his Master's use and ready for every good work."* Do you still think you are better than all other people and this does not apply to you?

In the book of John, it says, "*The thief comes only to steal and kill and destroy.*" Jesus said, "*I have come that you may have life and have it more abundantly.*" Also, "*For this purpose the Son of God was manifested, that He might destroy the works of the devil.*" Confusion exists in the minds of many people because they cannot understand how it is possible for a Christian to be influenced by demons and evil spirits. The confusion begins with not being able to distinguish between body, mind/soul and spirit. Our soul may belong to God and the Holy Spirit may be in us, but our bodies and our minds are still attached to the world. Paul struggled with the fact that his soul and his body and mind wanted different things. His mind and body rebelled against his soul. In the book of Romans, Paul refers to; "*sin that dwells in me.*" We experience the same struggle. This is where the devil and evil spirits launch their attack. Why did Jesus teach us to pray "*do not lead us into temptation, and deliver us from evil*" Who tempts us? Yes, the devil tempts us. How?

By putting ideas in our minds, giving us pains and illnesses, visual temptations, and tempting our physical needs and desires. Why did Jesus teach us to pray, "*Deliver us from evil?*" We should pray this, every day, as often as possible, but at least every morning and every evening. Why? If evil cannot affect us, why do we need to be delivered from it? We cannot be delivered from ourselves; we cannot be freed from ourselves. We are set free when we are redeemed, set free from what? From evil. Who is evil? The devil and his evil spirits. Unless you say that, you, yourself, is evil and what does that mean? Yes, it means you are devil possessed. That's the only way you can be so evil. What happens to us before we are baptized? In many of the cases where Jesus went to the people, He first cast out the demons and then they were healed. Many of the illnesses were due to demonic activity in people. All people were born in sin and lived in sin until they found Jesus as Lord and Savior. What happens to the demons in all people who are saved? We must accept that all people had demons in them, and the demons will remain until they are removed. Why? Because we are all children of Satan until we are born again as children of God. All children of Satan have demons in them. How are they removed if no one removed them. Only the Holy Spirit can remove a demon. In Matthew 12:28-30 Jesus explains that a demon can only be cast out by the Holy Spirit. Jesus says that the demon must be cast out and that only a spirit more powerful than the demon can cast out the demon and take the place of the demons. Jesus also explains that no

one can take over a strong man's house unless you first bind the strong man and take the strong man out. Until you do that, you cannot take over the house. Every person is a house. The devil and evil spirits possess the person (house). Before the person can be saved, the demons must be removed. As long as the demons are in a person, the Holy Spirit cannot fully fill the person. Jesus said; "*How can one enter a strong man's house and plunder his goods, unless he first binds the strong man?*" This means that the person cannot be filled with the Holy Spirit until the person's demons have been removed. The Holy Spirit can cast out demons once the person rebukes and binds the demons and commands them to come out, in Jesus' name.

Baptizing a person who has a demon will not get rid of the demons. There is not one instance in the Bible where Jesus said, just baptize them and their demons will flee. This is what causes so much pain and suffering in the church. The demons are still in the people after they are baptized and the pastor tells them that the demons are gone. This is why they cannot be filled with the Holy Spirit. The people then think that they themselves are so bad because they still continue with the same sins. If you want to have life and live more abundantly, then you must:

- Overcoming all evil
- Get rid of the control and influence that Satan and the demons have over you.

- You must repent.
- Cancel all curses
- Forgive all people
- Rebuke and bind all evil spirits
- Give your life to God
- Walk in the Spirit
- Ask Jesus to baptize you with the Holy Spirit.

Do not leave the space previously occupied by Satan and his demons uninhabited. Fill it with the Holy Spirit or the demons will return sevenfold. The explanation Jesus gave in Matthew 2:28-30 tells us that the Holy Spirit enters the person from whom the demon is cast out. This actually confirms that the kingdom of God has come upon that person. *"If I cast out demons by the Spirit of God, then the kingdom of God has come upon you."* Jesus himself did the salvation when he was on earth. He healed people physically and spiritually, cast out demons and told them; *"go and sin no more"* *"otherwise much worse things may happen to you."* What does this tell us? It tells us that a person must accept Jesus as Lord and Savior and then in the name of Jesus and with the power of the Holy Spirit cast out all demons so that the Holy Spirit can live in the person. Baptism is an act of obedience and a physical manifestation of our inner convictions. John the Baptist came to teach us what we should do. He prepared the way for Jesus' coming. John

baptized people before Jesus came. This was the baptism of repentance. John baptized people in the name of God (YHWH). This is still valid today. Remember God (YHWH) is: Father, Son and Holy Spirit. It is the rejection of Satan and the acceptance of God as savior. The same choice that Adam and Eve had.

There are churches that believe that baptism replaced circumcision and they also believe in child baptism. This is only partly true. Many misunderstandings exist in the church because of the fact that the Bible is a “version” of God’s Word. It is not God’s Word, it is a “version” of His Word. This is why there are so many different versions. People translate the Bible as they please. In the process, Satan influences people and misleading interpretations are put into writing and then said to be God’s Word. If the Bible is God’s Word, all Bibles would all be exactly the same. The word “Bible” means – “Book”.

In the time of Abraham, God told Abraham to circumcise all the males, which he did. What is not written in the Bible is that the physical circumcision was a sign of the inner circumcision. Their souls were spiritually circumcised to get rid of the demons and external influences. The physical circumcision was a daily reminder to them that they were spiritually circumcised. The physical circumcision in itself meant nothing because everyone, even Ishmael, as well as all the Egyptians, were circumcised and are still circumcised for hygienic reasons. So, if we want to say in today's life that baptism has replaced circumcision, then we must also

say that baptism is an outward manifestation of an inward conviction. Minor baptism is therefore not an option. All that minor baptism means is that the child is dedicated to God. If we look further at what John the Baptist did, we see that no one was baptized who had not first gotten rid of all his/her sins. To get rid of sins, the demons and unclean spirits must be removed. No person can stop sinning if there are still demons controlling or dominating the person's behavior. NO. All of this leads us to the conclusion that first there must be repentance, demons and unclean spirits must be cast out, the person is then baptized. Then, with the help of the Holy Spirit, the person receives a desire to grow spiritually to the point where Jesus baptizes the person with the Holy Spirit. At this stage, the person is filled with the Holy Spirit. The Holy Spirit then helps the person to walk in the Spirit according to God's will. The person must then continually focus on what the Holy Spirit is saying. The attack of Satan and his demons is now limited to external interference. This external interference never ceases, on the contrary, it intensifies. Satan does not give up. Even after Moses' death, Satan still tried to take his soul.

## **SPIRITUAL DISCERNMENT**

Some call it “The spiritual war to gain control of our minds.” The armor of God is crucial. Without it, we cannot overcome. Make sure you have the armor of God on. We must have enough knowledge to be able to distinguish between unclean spirits and the Holy Spirit. If you look at the internet you will see many people on

Youtube thinking they have received a message from God. Then they proclaim it and say “tomorrow this and that will happen”. But it does not happen because they listen to unclean spirits. And remember it is not only them who are held captive by unclean spirits, if you believe them you fall into the same trap. Most Christians get stuck in religious kindergarten or elementary school and never become mature Christians. They are satisfied with baby food and cannot process solid spiritual food. The more mature we become, the more we understand, and the more God reveals to us. Our level of maturity depends on ourselves. The Bible says, "*Work your own salvation with fear and trembling*" and to trust God and God alone to help us. Do not blindly follow any man or blindly believe what anyone says. You must seek God, seek and you will find, ask and it will be given to you. Spend as much time as possible with God. Ponder on all things and the Holy Spirit will help you. Remember the Holy Spirit is not an ATM. We cannot expect the Holy Spirit to answer immediately when we ask. Impatience is a demon. If we wait for the answer then we know it is from the Holy Spirit. To understand the spiritual realm, we must train our physical mind to think in the spiritual realm. We must reach a point where we are able to walk in the Spirit. In other words, we must walk the path that the Holy Spirit indicates. We must plan our lives and the journey we are on in life to ensure that we end up at the destination where we will have eternal life. We must prepare ourselves for eternal life. We must stay away from the dump, the bottomless pit called hell, at all costs.

How do we walk in the Spirit? The old people always told the children: “There are two angels sitting on your shoulders. A good angel and a bad angel. You must listen to the good angel.” Children of God have the Holy Spirit telling them what is right but the unclean spirits will always do the opposite. Listen to the Holy Spirit and reject the unclean thought every time it enters your mind. At this point it becomes very difficult for Satan and his demons to intimidate us with his slogan – “Kill the Farmer/ Kill the Boer.” We now know where it comes from and what its purpose is. Satan has already lost the battle against God. He never had a chance, but like a fox terrier, he keeps trying. His ego is bigger than his intellect. However, we must persevere in the fight. Some people fade right before the finish line. We must persevere and keep going no matter what. We will talk about “Kill the farmer/Kill the Boer” later. in the physical realm because it is also a demon that we must overcome.

The spiritual realm has no time. There is no yesterday and no tomorrow. There is only now—the present. That is why in eternity, there is only “now.” “Now” has no beginning and it has no end. You cannot move away from “now” because you need a future to move away from the present and “now” has no future. That is why, when you reach eternity, you will stay where you are, forever. If you end up in Hell, it will be forever. Forever has no escape and there is no second chance. You will be there forever. Pain and suffering without ceasing. In this spiritual realm you do not sleep, you do not get tired, and you do

not eat food. The spirits that are already there do not sleep and they do not get tired. Evil spirits are constantly waging war against humanity. Satan and his evil spirits have only one goal. They kill, steal and destroy. They are like a spiritual cancer that is constantly trying to kill, steal and destroy everything that is good and everyone that is good. Everyone that belongs to God.

Evil spirits gather every day to plot against us. They stand at the door and wait for us. They wait for an opportunity to catch us off guard. They know us very well, know all our old weaknesses and shortcomings and constantly try to take us back to our old sinful life. And just like illegal squatters who take over someone's land, so the demons come and take over people. Remember what happens in real life is one way God communicates with us. When we see what the squatters are doing we should see what happens in the spiritual world with us. The same with "kill the farmer, kill the Boer." Satan is trying to kill us spiritually.

Our normal physical minds cannot fully understand the spiritual realm. It is only when a spirit enters us that we can understand more about the spiritual world. That is why it is crucial that we have the knowledge to choose between God and Satan. Since the time of Adam and Eve, this has been the most important decision that humanity has had to make. God told Adam and Eve not to eat from the tree of the knowledge of good and evil. They had God with them. All they had to do was stay with God and not listen to Satan. But Satan was too clever for them. That

is why we need to get the Holy Spirit in us so that we have a helper to fight Satan. Satan makes people doubt. “Is it really that important”; “Did He really say that”; “Are you sure that is what it means”; “Will it really make a difference”; “Will anyone know what you are doing”; etc. If we choose God, the Holy Spirit will enter us and we will begin to understand the spiritual realm of God and thus end up in heaven. If we choose Satan, a demon will enter us and we will be led on the path to the bottomless pit called hell. Our behavior and our language will be a sign and evidence of the spirit that is controlling us. Do we speak life or do we speak death?

The Holy Spirit works in our minds and souls to convert our minds and souls and to enable us to understand the spiritual realm. We must become a new creation to enable us to be a child of God. Most people are born as children of Satan and will remain with Satan, unless or until they are spiritually reborn as children of God. As children of God, we are strangers on earth because we already have eternal life in heaven. As strangers on earth, we have targets on our backs. Satan's fiery arrows will constantly try to hit the target. Being born as spiritual children of Satan, humans have a disadvantage in that Satan and his evil angels will do everything possible to keep all people with him. Therefore, we must fight to get away and fight to stay away from Satan. We must fight to secure a place in Heaven. We must fight so that we do not become victims of “Kill the Farmer/kill the Boer”. God has given us His word, in the Bible, to help us in our

struggle. The Bible provides all the answers we need to fight the good fight and succeed and be victorious in the end. All we have to do is study the Bible, spend a lot of time with God, and ask the Holy Spirit to explain everything to us. The more we study the Bible the more we will understand. We must never stop reading the Bible. We must read it and then ponder on each part and in the process the Holy Spirit will help us and answer us. Do this in silence because it is only when we do this in silence that we can know for sure that it is God who is answering us. Satan cannot read our minds but the Holy Spirit can.

The Bible was written for God's people. God communicates with His children through the Bible and through the Holy Spirit. The Holy Spirit explains the Bible to us as we read it and as we ponder on its words. We must continually chew it like a cow chews its food. Even the animals have been given to us as examples of how and what we should do. Like animals that chew their cud, we must chew our spiritual food. We must not live like pigs. Pigs always return to the mud and mix their food with mud. Like eagles that soar, we must strive for what is up there in the third heaven. There are many examples in the Bible that show us how God revealed the spiritual world to His children. One of the best examples of natural and spiritual distinction is recorded in II Kings 6. It contains the story of a natural battle in which troops from Syria invaded a small town called Dothan, where the prophet Elisha was staying. When Elisha's servant,

Gehazi saw them enemy he became afraid. Elisha prayed that God would open Gehazi's spiritual eyes so that he could see the angelic hosts around him protecting them. On that occasion, God opened Gehazi's eyes and allowed him to see the mighty powers of God.

The story of this battle at Dothan is like current spiritual conditions in the church. There are people, like Elisha, who see clearly in the realm of the spirit. They know there is a duel and they have identified the enemy. They also recognize the mighty power of God that ensures victory. There are others like Gehazi, who with a little encouragement would be able to open their spiritual eyes and no longer be afraid of and defeated by the enemy. But it is a pity that there are many who are spiritually asleep like those in the city of Dothan. They do not even know that the enemy is attacking.

## **SPIRITUAL KINGDOMS**

There are two spiritual kingdoms: The Kingdom of God (YHWH) and the kingdom of Satan. Every person alive is already a resident of one of these two kingdoms. The Kingdom of Satan consists of Satan, the fallen angels/demons, and all people who have fallen into sin and live in rebellion against God's Word. The Kingdom of God consists of God, angels, and all people who worship God (YHWH). The Kingdom of God is not any earthly church. Denominations are man-made organizations. They were established for practical purposes by organizations and administrations. They each have their

own name. "The ..... church." All are different. If churches were the church of God there would be only one church. Various buildings but all the same name. The Bible speaks of the true Church which is not a denominational religious organization. The true Church consists of all who are citizens of the Kingdom of God. All who worship God (YHWH) in the Spirit and in Truth. What might shock some people is that the Bible tells us that God will call people from all nations. It means that God calls people from all nations regardless of the earthly church they are in. God even calls people that are not in any church and God also call people that are Satanist or any of the non-Christian religions. Our souls have no skin colour and no language preference. Spiritual beings have no sexual orientation. A soul is neither male nor female, it's a spirit being. Our bodies are vessels to carry our souls while we are on earth. Our souls do not age, our souls live for ever. The question is - where does my live?

There is just one Holy Spirit and just one Truth – Jesus/ (Yeshua). The biggest shock for churchgoers will come one day when they realize that the so-called church, they belonged to has led them straight to Hell. The Bible clearly says that only a "Remnant" will go to Heaven. In the natural world, the Kingdom of God consists of individuals. It is every man, woman, boy or girl who has accepted Jesus as Lord and Savior and who worships and praises God (YHWH) in Spirit and in Truth. All of these people together form the true church. Every true

believer is a building block in the spiritual church - the third Temple. In the future, there will be a manifestation of God's Kingdom and all of God's children will be together and worship and praise God forever.

## **THE INVISIBLE WAR**

We cannot see it but we can experience it and feel it. It can become so real that we can get to the point where we can, for short periods, feel like we on the other side.

The invisible spiritual war is a battle that involves all people. Because the Kingdom of Satan is a spiritual kingdom... *"For your struggle is not against flesh and blood, but against the rulers, against the authorities, against the world rulers of this darkness, against the spiritual forces of evil in the heavenly realms..."* (Eph. 6:12).

Spiritual warfare is "multidimensional," meaning it is fought in different dimensions. Every person alive is involved in this battle, whether we realize it or not. There is no neutral ground. Unbelievers (those who do not fully trust in God (Father, Son and Holy Spirit) are in evil bondage and remain held captive by hostile forces. God's children have been set free from the curse of sin and have been given power to overcome evil through Jesus Christ and they are victors, but they are still affected by the war.

"Wrestling" is a close personal battle. The Bible says we wrestle with evil forces. No one is exempt from this battle.

No one can stand and watch it from a distance without being involved. You are in the middle of the conflict whether you want to know it or not. If you think you can escape it or it will get better, you are wrong. Christian warfare never stops. If it feels like you are not in any spiritual battle, you should be concerned because then Satan does not see the need to involve you. An inactive soldier is just the same as the enemy and perhaps even worse because such a person is just in the way and is a stumbling block.

### **WHERE THE BATTLE RAGES**

This invisible war is being waged on earth and in heavenly places and in our minds. Satan fights to maintain control over the kingdoms of the world. He does not want people to come under God's authority. The battle also rages in the minds and souls of people. Satan blinds the minds of believers and unbelievers and attacks believers in all areas including worship, daily walk and all aspects of life.

Satan's unclean spirits' abode is the second heaven and their workplace is the first heaven and the earth. In the Bible, Ananias, a Christian, was asked why he allowed the devil to enter his heart. How did they know that he had lied to the Holy Spirit? The Holy Spirit was in him when he allowed the devil to enter him. Then the devil exposed him because Satan wanted sole power over him. He allowed the devil into his thoughts and the devil then manifested by controlling his actions. He does this to all

of us and we don't even realize it. Things we do and things we say come straight from the devils into our heads and out our mouths and it manifest in our actions. That is why the Bible says – test every thought that comes into your head. Is it your own, or does it come from God, or does it come from Satan? Very few thoughts are our own. The old people use to say that there are always two angels sitting on our shoulders. The good and the bad and they whisper in your ears. The battle rages in our heads. Even people like Stalin said: “We will win the war if we win the hearts and minds of people”. His words manifested itself and so will “kill the farmer kill the Boer.” You can work out for yourself who was in control of Stalin’s thoughts.

Even today we can very easily determine who controls a person’s mind. Just listen to what they say and watch what they do.

## **THE CHURCH TODAY**

In the natural world, a king is the sovereign ruler of a kingdom. All the land and people in the kingdom belong to him. He has the power of life and death over his people. The same is true in the spiritual world. You are either part of the kingdom of God or the kingdom of Satan. Either God or Satan has power over your life. There is no neutral ground. One of the parables that Jesus told illustrates that all people are either part of the kingdom of Satan or the kingdom of God. Jesus compared the world to a piece of land. The good seed in

the soil were children of the kingdom of God. The bad seed that led to the growth of weeds (tares) were children of the wicked one: *"The field is the world; the good seed are the children of the kingdom; but the weeds are the children of the wicked one."* (Matthew 13:38).

The Bible helps us understand the world better. The Israelites were in Egypt and Moses was sent by God to lead them out to the promised land. Similarly, people today are in a spiritual Egypt. Egypt represents Satan's kingdom. What Moses was for the Israelites is an example to us of what Jesus is for us. God sent Jesus to free His children from slavery—from the spiritual Egypt. The Bible teaches that all people are conceived and born in sin, like all Israelites were born in Egypt (remember they were there for 420 years). This means that we have a sinful nature or the "seed" of sin within us. Our natural inclination is to do evil: *"In evil I was formed and in sin my mother gave birth to me."* (Psalm 51:5). *"Just as by the hand of one-man, sin entered the world, and death entered through sin, so death spread to all humans, because all sinned"* (Romans 5:12). Adam sinned and the evil spirit entered him and so all humans are born with evil spirits. "for all have sinned and come short of the Manifest Presence of God." (Romans 3:23). The Holy Spirit is not in humans because of sin.

Because we are born with a basic sinful nature, we were all at one time part of the Kingdom of Satan. All who remain sinners remain part of the Kingdom of Satan. It is all part of God's plan. God's children must overcome evil,

must come out of Egypt, must go through the desert and then cross the spiritual Jordan river to enter the promised land- heaven.

There are only two divisions in the invisible war. Jesus said, "*He who is not with me is against me*" (Luke 11:23). You cannot be neutral in this spiritual war. You are on one side or the other. You are a spiritual Israelite or you are a spiritual Egyptian. You kill with your mouth and hand or you help live with your mouth and hand.

What is your slogan? Are you already dead or do you strive for eternal life. Some believers, because of their fear of confrontation with the enemy, try to ignore the war. They think that if they ignore Satan, he will not bother them. This is one of Satan's main strategies. Satan convinces people that the Ostrich approach really works. Bury your head in the sand, if I can't see you, then you can't see me. Little does the person know that Satan is keeping that person's head under the sand. There is no neutrality in this war. You are either a victim or a victor. Are you on the side of good or evil? Are you part of Satan's kingdom or the kingdom of God? Where does the church stand today? Is the church the same as what it was 2000 years ago? Does the church follow the same doctrine of salvation as they did 2000 years ago? It depends on who the church is. We need to define the word church. Church as we know it has unfortunately divided into two groups. The Christians and the Churchians. Then there is the added problem that the word Christian has become a curse word. Yes, more

unholy things are done in the name of Christianity than good. More than a hundred years ago there were already believers who wanted to do away with the name Christian. For now, we will stick with Christian but specify that Christian is a person who is a child of God. The Christians are the children of God (YHWH) who already have a place in heaven. The Churchians are so-called Christians who don't even know what they really believe. They are simply traditional Church people, or one could call them habitual Christians or social Christians or financial Christians. They are not God's children. To them it is just a social club. They don't even know who the true God is. (We will take a closer look at the word god later.) Wherever the word God appears we mean YHWH is our God. Some of you may already see the problem. If we say YHWH is our God then we are saying God's name is YHWH. The word God is not a name, but we will save that for later.

God's children cannot be counted and even an estimate would be impossible. Only God knows the number. We do not need to know how many "children of God" there are. However, we must be sure that we are children of God. We are called to spread the Gospel and to do the good works that God has planned for us, but that does not include counting numbers. God knows the number, why would He want any of us to know it. It is unfortunate that most denominations and Christian organizations have fallen victim to Satan's attacks. The references found in Revelation and elsewhere make it clear that most if not

all denominations have succumbed to Satan's evil tactics and have become guilty of so many sins. I heard someone explained it like this: He said: He knew a young man who found Jesus and then the young man decided to become a pastor. Then he found a church and studied and became a pastor. Then he became the pastor of the church. Then people heard about the new pastor who was so good and went to his church. People were captivated by his personality and looked up to him. The people were so impressed with the pastor that they never had the need to find Jesus. Satan got them so focused on the pastor that they worshipped the pastor and never found Jesus. This is but one of the problems. There are numerous other.

Ask people why they go to church. Not one of them will say I go to meet God through corporate worship. Money, ego, music, entertainment and idolatry have become the main focus of many denominations and organizations. They thrive as a business but they are perishing spiritually due to lack of knowledge. They do not know enough about Satan to enable themselves to overcome evil. They continue to fall into the same trap. The trap set by Satan. Ego, money, fame and pleasure are weapons of destruction. When a denomination, tradition, customs and practices become more important than God, idolatry has taken over and they no longer serve God. They serve themselves. This also applies to the leaders. Members go to church to worship the person; they do not worship God. The leader has become "Lucifer." A wolf in sheep's

clothing. Lucifer has manifested in the pastor. Many people go to church to get what God can do for them and not because of who God is. They worship the benefits that come with it, they forget about worshipping God Himself. The Bible warns us: "*Work out your own salvation with fear and trembling; for it is God who works in you to will and to do for His good pleasure.*" Who is your God? Where is your treasure? Where your treasure is, there will your heart be, where your heart is, there will your soul be, where your soul is, there will your eternity be. Philippians 2:12. Do not trust anyone except God the Father, the Son, and the Holy Spirit.

The Bible tells us, "*For God so loved the world that He gave His only begotten Son, that whosoever believeth/trust in Him should not perish, but have everlasting life.*" John 14:6. Jesus said, "*Yeshua answered him, 'I am the way, the truth, and the life: no man cometh unto the Father, but by Me.'*" Jesus continued, saying, "*The Father will send you the Comforter (the Holy Spirit), to be with you, that he may teach you all things.*" Study the Bible and God will guide and teach you. The more time you spend with God, the more God will reveal His word to you. He who has will be given more, but he who has only a little will have even the little taken away from him. Question everything that comes from another person and all your thoughts. Test the spirits to ensure you are not listening to a deceiving spirit. Trust God (YHWH) and Him alone. Do not get carried away or frightened by people with unclean spirits who speak words of death.

## **BECOME A WARRIOR IN THE ARMY OF GOD**

All armies in the natural world have induction procedures - special things you need to do to join. No one can fight in a war unless you are well prepared, motivated, enlisted, equipped, and physically fit. In God's army, similar principles apply. We must be well prepared, motivated, enrolled, equipped, and mentally fit, and we must be fearless. In the natural world, when a soldier joins an army, he must renounce any previous allegiance he has to another army or country. To become a warrior in God's army, we must get our own house in order before we can enter the battlefield. We must cleanse ourselves of all possible spiritual diseases. We must immunize ourselves to prevent future infection.

A soldier must be so prepared that he can survive the battle alone, on his own. He must have the knowledge, equipment and supplies that will ensure that he can survive. To join the army of God, you must break alliance with Satan. You cannot be a two-faced fox. Repentance is a spiritual renewal, a turning around, a change of heart, soul, and mind that leads to the outward action of worshiping and serving God and God alone. Acts 26:20 calls it "repent and turn to God." to turn away from sin, to God, and to do the works befitting one who has turned back to God. By actively turning away from your sin and leaving the kingdom of Satan. You cannot have a split personality. If you do, it means that the other personality within you is an unclean spirit. Repentance is a very sincere and personal decision to turn your allegiance

from the kingdom of Satan to the Kingdom of God. This change of mind and turning away from sin cannot be done by yourself. It is the power of God that brings the change in your mind, heart and life. Repentance is a gift from God: "We must obey God rather than men. *"The God of our fathers raised Yeshua, whom you killed by hanging him on a tree. God exalted him to his right hand as Leader and Giver of Life, for the purpose of giving repentance to Israel and forgiveness of sins. We are his witnesses of these things, and so is the Holy Spirit, whom God has given to those who believe in him."* Acts 5:29 Although true repentance can be emotional, true repentance is a decision, not just an emotion. Sorrow for sin and the shedding of tears are not enough in themselves. It must be accompanied by an inner decision that leads to an outward change. The manifestation must be visible.

### **THE IMPORTANCE OF REPENTANCE**

Repentance is important Luke 13:4-5 *"Do you think that these Galileans were greater sinners than all the Galileans because this happened to them? No, I tell you; on the contrary, unless you repent and turn around, you will all likewise perish. Or those eighteen who died when the tower in Siloam fell on them; do you think that they were greater sinners than all the others who live in Jerusalem? No, I tell you; on the contrary, unless you repent and turn around, you will all likewise perish."* Repentance is a determined turning away from sin and from Satan (Amos 3:3). *"Can two walk together, except they be agreed?"* When we sin, we agree with (and worship) Satan and we

walk with him. We cannot walk with Jesus and Satan at the same time, because if we are with Satan, Jesus will not walk with us, they walk on different paths. We must decide and turn away from Satan and follow Jesus. This means we must repent walking with Satan. A person must abhor his sins (Ezek. 20:43-44). *"There you will remember all your ways and all your deeds by which you have defiled yourselves, and you will loathe yourselves in your own eyes for all the evil things you have done."* We must hate what is wrong in order to truly repent. 2 Corinthians 7: *"Or what agreement has the Messiah with the adversary (demons); or what fellowship has he who believes with an unbeliever? What agreement has the temple of God with demons? You are the temple of the living God, just as it has been said: "I will dwell in them and live in them, and I will be their God, and they will be my people." "Therefore," says YHWH, "come out from among them, and be separate, and touch not the unclean thing; and I will receive you, and I will be your God." "I will be a Father to you and you will be sons and daughters to Me," says YHWH.* Repentance is the rejection of evil, in Matthew 3:7 8 John the Baptist said when he saw many of the Pharisees and Sadducees saw him coming to his baptism: "Confessing their sins, they were baptized by him in the Jordan River, but when John saw some of the Pharisees and Sadducees coming to be baptized by him, he said to them, *"You brood of vipers! Who warned you to flee from the coming punishment? Therefore produce fruits worthy of one who has turned from his sins to God."*

If you repent, you must also completely forsake all evil by destroying all literature and items associated with that sin and sin no more. (Acts 19:18-19) "*Many of those who believed came, confessing what they had done, and that it was wrong. And many of those who had practiced magic brought their scrolls together and burned them in the sight of everyone. And they counted the value of them and found it fifty thousand pieces of silver. So, the faith in God grew mightily from strength to strength.*" We cannot repent and at the same time hold on to what we have repented of. Repentance must manifest itself in us. We must destroy all literature, all contacts, all relationships that connected us to the evil from which we turned. Our actions must confirm our words. Asking God for forgiveness of all our sins is essential. Demons and evil spirits gain access because of our sins, iniquities and transgressions. The demons and evil spirits will not leave us until we repent and receive forgiveness from God. As long as we hold on to sin, the spiritual gate remains open and the demons have the right to remain and torment us.

Now you have to pay close attention. If a person has an open spiritual gate that gives the demons the right to be there that person's demons cannot be rebuked and bound because the gate remains open for the demons stay. We must also know that people are all similar. All people are just flesh and blood. Flesh and blood on its own cannot be evil. To be evil, the body must have a soul, spirit, and mind that controls the body. A person who does evil deeds is controlled by an evil spirit and soul. A

person who has a pure spirit and soul cannot commit evil deeds. This means that if we can control the evil spirit in the person, then we can control the person's behaviour.

If you walk in the Spirit, you have the authority and power to rebuke and bind the evil spirits in someone that wants to do you physical harm, and you can command the evil spirit to go away and not attack you. The evil spirit in the person must listen and if the evil spirit listens the thought of murder will leave the person's mind and the person will go away. This can only be done if you have full trust in Jesus and the Holy Spirit. You must be able to walk on water spiritually. If you have trust in Jesus, you can move mountains. Jesus gives us the authority and power to rebuke and bind demons in His Name. By doing that we allow Jesus to manifest in us and command the demons to do what He commands them to do. It is Jesus who commands the demon and the Holy Spirit then drives that unclean spirit away from us. Only the Holy Spirit has the power to drive out the demon. This rebuke and binding of unclean spirits must therefore first be applied to ourselves and then we can use it to protect ourselves against attacks. That is why we must put on the full armour of God. This protection that we have was unfortunately never taught to us. The spiritual leaders do not even know that it can be done. It is very tragic that so many people have to die and suffer and the spiritual leaders sit with their hands folded. Who's side are they on?

## **START WALKING IN THE SPIRIT**

"*We walk by faith, not by sight.*" (2 Cor. 5:7.) How brief is this description of true Christians! And yet how exceedingly powerful! It comprehends and it sums up, the whole experience of those who are truly such, from the time they are born of God until they walk inseparably with Him. Note not only faith but also full trust. Even Satan believes in Jesus and in God but he does not trust in them. For, who is the "we" spoken of here? All who are true Christian believers. All who are children of God. All who can say: "*the Spirit of adoption cries out in their hearts, Abba, Father.*" All who know "*the Spirit of God bears witness with their soul that they are the sons of God.*" All these people, and they alone, can say, "*We walk by faith, and not by sight.*" We "walk by faith" because we live by faith, and not by sight. And to all true Christians our Master said, "*Because I live, you live also:*" Not physically, but spiritually. A child of God already has eternal life. This is why we can rejoice when a child of God dies because the child goes back home to his Father in heaven. All the children of people who are not born of God "*walk by sight.*" How different the world is to those who "*walk by faith!*" God, having "*opened the eyes of their understanding,*" pours divine light into their souls, whereby they are enabled to see the invisible, to know God and the things of God. What the "*Eye has not seen, nor ear heard, nor have entered into the heart of man, what God has prepared for those who love Him.*" Yes, God reveals to them from time to time, by way of the "*Holy*

*Spirit, who teaches them all things.” They can enter the Most Holy Place through the blood of Jesus. They can all say, "It is no longer I who live, but the Christ lives in me. The life I now live in human nature I live in the nature of the Son of God, who loved me and gave himself for me;"*

[Gal. 2:20]. *“We who live by faith and trust walk in the Spirit. We regulate all our decisions concerning good and evil, not with reference to visible and temporal things, but to things invisible and eternal. We consider The things which are seen are of little value, because they pass away like a dream; but the things which are not seen are of great value, because they will never pass away. Whatever is unseen is eternal; the things which are not seen do not perish.”* We must evaluate everything that happens:

*"What bearing does this have on our eternal destiny?"* We must evaluate all our anger and passions, all our desires, joys and fears by this standard. We must control all our thoughts, all our words and actions, in order to prepare ourselves for the invisible and eternal world to which we will soon go. We do not live, but camp here; we are not searching the earth for a home, but we are on a journey to the eternal destination. Every person must be honest with himself. Ask yourself, "What am I seeking day by day? What do I desire? What am I striving for? Earth or Heaven? The things seen, or the things unseen?" What is our goal, God or the world? If the world is our goal in this life, then all our religion is in vain. Worldly religions are leading thousands to the bottomless pit.

Christianity is not morality, it is not formality, it is not church rules, it is not blind adherence to earthly doctrines. No: Christianity is nothing less than living in eternity and walking in eternity in the love of God, in humility, meekness and in surrender.

### **IDENTIFYING ALL OUR SINS**

A person who is sick and doesn't know it will never go to a doctor. A Christian who is crippled on the inside but thinks his life is normal will never ask God for healing; and *"you don't have because you don't ask."*

Many Christians struggle with big issues in their lives, but are ignorant of the fact that the victory that Jesus achieved for them on the cross not only assures them of eternal salvation, but also provides the keys to healing. Unfortunately, many Christians believe that because they are saved and born again, they are untouchable by the devil and demons, no matter what they do. They do not realize that one small mistake can open the door and give evil an opportunity to come in. Satan loves such spiritual blindness and false beliefs. These people do not realize that they are still far from safe.

This is a weakness in many churches. They believe once saved always saved. NO, it is a daily war for survival. Many times, physical healing only comes when our inner spirit receives healing. Here is a guideline to identify possible signs and causes that could be obstacles or barriers:

- Repetition of negative behaviour
- Obsessions
- Belongs to secret organizations – Freemasons, Rotarians, Broederbond, etc.
- Conduct disorders – any abnormal behaviour
- Abnormal dress
- New Age – influences
- Demonic music – most music is bad.
- Occultism
- Antisocial habits
- Pornography
- Frequent Injuries – signs of abuse
- Confused or disturbed thinking
- Hallucinations
- Compulsive behaviour.
- A pattern of failure
- Prolonged or severe depression
- Immaturity
- Unexplained illnesses
- Neglect of personal hygiene
- Undue anxiety and worry
- Too much or too little sleep.
- Negative self-image and outlook
- Extreme aggression.
- Risk taking.

This list is not exhaustive but merely an example. The presence of any of the above symptoms or signs is an indication of external influence.

God freely forgives all who confess their sins and ask forgiveness through His Son (1 John 1:9). He expects us to forgive all others who have ever wronged us in any way (Matt. 6:14-15). Willingness to forgive is absolutely essential (Matt. 18:21-35). Jesus taught us to pray "*forgive us our sins as we forgive those who sin against us*". We must remember that God is light and where God is, there can be no darkness.

Paul said he battled because his body and mind rebelled against his spirit. Our souls want to do what is right, but our bodies and our minds sometimes do what is wrong. We must constantly strive to bring our minds and our bodies into line with our souls. This is what walking in the spirit means.

Having hatred and resentment in us means that we have darkness in our minds. We allow evil to control our minds. We all have some darkness because none of us are yet completely sanctified. The question is whether we allow darkness to control us or whether we walk in the light and try to get away from darkness every day. When we turn our backs on darkness and walk toward the light, our backs remain dark, but we continually walk away from it until the darkness is no more. Salvation is a tool to help us remove the darkness that is in our minds and bodies, but we cannot be delivered from evil unless we forgive all who have harmed us. This forgiveness, as with repentance, must be true forgiveness. We must be sincere to the point that we release all who have harmed

us and that we pray for them that God will help them and also deliver them.

## **THE BIBLICAL VIEW**

The subject of spiritual warfare must be studied within the context of God's total purpose for sinful humanity. When studying the parables of the Sower and the weeds, we see that both parables describe the kingdom of God. Gods children must be able to survive among the weeds. Even though the weeds try to kill us and steal our water and food, we must be able to survive without pulling out the weeds. We should therefore not harbour any thoughts of revenge, but we can overcome the weeds by using our spiritual armour effectively. This is how we can live in spiritual abundance. We rely on the Fountain and the Bread of life. We never deprive the weeds of the right to live. God protects us and feeds us as long as we obey Him. This means we must be very close to God at all times, we cannot move away from Him for a single moment. Really, not for a moment. God made us and He knows how He made us. There is nothing we can do that will shock Him, as long as we do it the way He commanded us to do it. We also cannot sit back and expect God to fight the war for us. No, we must put on the armour ourselves and fight. But we are fighting a spiritual war, not a physical war. If God is for us, who can be against us? No demon-possessed person can stand up against God and touch God's children without God's approval. We must be prepared to give our lives if that is God's will for us. John the Baptist and many other

children of God were beheaded because John had completed his task on earth and it was his privilege to return to his eternal home. We should see physical death as a return to our heavenly home where our heavenly Father is. But while we are here, we should fight the battle so that we may overcome evil, without fear or deviation from our faith and trust in our God.

### **STAND YOUR FAST**

The Word says, *“What you bind on earth shall be bound in Heaven.”* In the name of Jesus Christ (Yeshua), you rebuke the demon that is in the person or animal, and you bind the demon and command the demon to depart from you and not harm you. You must have full trust and faith and not the slightest doubt. Then the attacker will not see you but the attacker will see God’s Angels beside you. Be assured, the attacker will flee. Few people have such absolute trust and faith in God. To achieve such a level of trust and faith you should engage in spiritual warfare and spiritual deliverance work. You will be amazed and never have any doubts again. John 15: *“What I command you to do is, to keep on loving one another. If the world continues to hate you, remember that it has first hated me. If you belonged to the world, the world would love what is its own. But it is because you do not belong to the world, but I have chosen you out of the world, that the world hates you.”*

### **GIFTS OF THE HOLY SPIRIT:**

The Holy Spirit gives special spiritual gifts to believers. The gifts of the Holy Spirit are necessary to equip the

believer for the battle against the forces of Satan. The gifts of the Holy Spirit include the following:

Special gifts to equip God's people:

Apostles, prophets, evangelists, shepherds and teachers.  
People who speak God's truths: Prophecy, teaching, exhortation, word of wisdom, word of knowledge.

Gifts to make God's work possible:

Serving, helping, leadership, administration, giving, hospitality, showing mercy, discerning of spirits, faith.  
Gifts to establish God's authority: Tongues, interpretation, miracles, healing and deliverance.

## **FRUIT OF THE HOLY SPIRIT**

The Holy Spirit also develops spiritual fruit in the life of the believer. The "fruit of the Holy Spirit" refers to the nature of the Spirit that is manifested in the life of the believer and spiritual characteristics that are evident in the lives of all Christians.

The gifts of the Holy Spirit are for spiritual strength. The fruit of the Holy Spirit is for character in the life of a believer. If you do not develop such character traits, you will become a victim of the powers of evil. Spiritual fruit is evidence of spiritual maturity. Like fruit in the natural world, it is a product that results from the process of life. Jesus said, "*You did not choose me, but I chose you and appointed you to go and bear fruit and keep bearing fruit*" (John 15:16). The spiritual fruit is completely opposite to

the fleshly: "*The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control*" (Galatians 5:1). "*the works of the flesh are: sexual immorality, impurity, sensuality, idolatry, sorcery, enmity, strife, jealousy, fits of anger, outbursts of wrath, selfish ambition, deceit, heresies, envy, murder, drunkenness, orgies, and things like these; and those who practice such things, as I have told you before and now tell you again, will not inherit the kingdom of God.*"

Although the power of the flesh was defeated on the cross, as believers we experience it to the extent that we are spiritually mature. Therefore, to replace the natural fruits with the Spiritual fruits it is necessary that we allow the Holy Spirit to work through us and in this way, we bear the fruit of the Holy Spirit. We do what the Holy Spirit wants us to do.

### **WHERE IS THE HOLY SPIRIT?**

Jesus promised His followers that when He returned to Heaven, God would send the Holy Spirit to comfort them: "*I will ask the Father, and he will give you another Helper and Giver of Life, to be with you forever.*" *He is the Spirit of truth, whom the world cannot receive, because it has not seen him or known him; but you know him, because he dwells with you and will be in you. I will not leave you comfortless, for I am coming to you in a little while. The world does not see me, but you see me. Because I live, you will live also.*" (John 14:16-17). One of the most important functions of the Holy Spirit is to direct our

attention to Jesus Christ: "*But the Comforter and Giver of Life, the Holy Spirit, whom the Father will send in His character and authority, He will teach you all things and remind you of all that I have said to you*" (John 15:26). God, the Holy Spirit is active in convicting people of sin, drawing people to Jesus Christ, equipping believers with power for spiritual warfare, and leading them and testifying of Jesus. The Holy Spirit is our GPS, without him we are lost. Like any GPS we must be able to hear Him, understand Him, and be obedient. He must be in us and we must have complete trust in him. We have decided where we are going, but only He knows how to get there, where the potholes are, the hotspots, roadworks, stop and go, speed traps, gas stations and overnight accommodations. To know how your GPS works you have to spend time with it, know all its functions, be able to hear its voice. We have to stay on the road to get good reception. We should not ask other people for directions. All of God's children are on this journey, each at his own place on the road because we are not all at the same place on the road. Each person's place depends on how much time he spends on the road. The fuel, food and water we receive depend on the progress we make. The road is narrow and there is no room for turning back. We must listen and we must trust with our eyes fixed on the path, knowing that we will reach the end goal without any doubt. Jesus is the Way, the Holy Spirit our GPS and God is our destination. We are building blocks in the heavenly Temple but we must get there to fill our place.

## **WHAT ARE ANGELS?**

Angels are beings who do not have physical bodies. Spirit beings created by God to do His will: "*Are they not all ministering spirits, sent forth to minister for them who will inherit life?*" (Hebrews 1:14) The title "angel" means messenger. In the Bible, angels are referred to as stars. Not physical stars.

There are various angels depending on the functions they have. They form a hierarchy. Angels protect us and fight against the "fallen" angels, unclean spirits who want to harm us.

## **THE ORIGIN OF ANGELS**

Angels were created by God: "*Praise Him, all His angels: praise Him, all His hosts. Let them praise the name of the Lord: for He commanded, and they were created.*" (Psalms 148:2 and 5) All the angels were righteous and holy when they were first created. They worshipped and praised the one true God. Later, some angels rebelled against God and lost their position as angels. They became part of a force of evil called "demons, unclean spirits."

## **THE ORIGIN OF SATAN**

Satan (the Angel) was created by God: "*All things were made through Him; and without Him was not anything made that was made.*" (Joh. 1:3). God did not create evil. Satan was perfect when he was created by God. "*You were perfect in your ways until the day that iniquity was found in you.*" Satan chose evil and he became the devil/

Satan/Lucifer, the evil unclean spirit. Satan or devil means Unclean spirit/Accuser/Adversary/Deceiver.

## **THE ORIGINAL POSITION OF SATAN**

The Bible describes the original position of Satan in Ezekiel 28:12-17. *“You were perfect in wisdom and perfect in beauty. You were in Eden, the garden of God; every precious stone was your covering: the ruby, the topaz, and the diamond; the beryl, the onyx, and the jasper; the lapis lazuli, the turquoise, and the sapphire; and gold, the workmanship of your settings and your carvings, was in you. On the day you were created, they were prepared. You were with the anointed cherub who covers, and I placed you on the holy mountain of God; you walked among the stones of fire. You were blameless in your ways from the day you were created until wickedness was found in you.”* When God created Satan, He made him with the ability to reflect the glory of God to a greater extent than any other created being. The Latin translation of the “morning star” is Lucifer (Illuminated One). Satan is not the "red devil" who has two horns and a tail. Satan is still as he is described in the book of Isaiah. This is why Satan finds it so easy to deceive people, that they don't even know what he looks like. Satan can present himself in any form, even as Jesus. Jesus himself said: beware, for many will come saying, "I am Jesus" to deceive you. Satan also poses as the “Holy Spirit.” There is an unclean spirit (Demon) with the name Holi spirit.

## **THE FALL OF SATAN**

Satan did not maintain this glorious position. The Bible describes his rebellion and fall: Your splendour and the music of your harps are brought down to Sheol; maggots are spread out under you, and worms are your covering. How you have fallen from heaven, O light bearer, son of the sunrise! You are cut down to the earth, you who weakened the nations, you who said: *'I will ascend into heaven; I will exalt my throne above the stars of God; I will sit also upon the mount of meeting, in the sides of the north. I will ascend above the heights of the clouds; I will make myself like the Most High.'* Yet you shall be brought down to Sheol, to the lowest parts of the pit! Isaiah 14:12-15

Satan's fall from his angelic position occurred because of pride and rebellion. Pride and rebellion that manifest in people to this day and cause them to rebel against God and their end is the same as that of Satan.

## **RESULTS OF SATAN'S SIN**

Here are the terrible consequences of Satan's sin:  
Banished from Heaven: As a result of his rebellion, Satan was cast out of Heaven by God and became Satan. Satan was not his original name. Satan means – accuser or adversary. Satan, once created for God's glory, became Satan with a character that opposed all that God is and does. Satan's power, once used for God's glory, is now used for disruptive and destructive purposes. Satan is destined for the bottomless dark pit/hole (Isa 14:15).

When Satan fell from Heaven, he did not fall alone. He took with him one-third of the angels of Heaven who had participated in his rebellion against God. These are all now part of an evil force of demons/unclean spirits.

### **WHERE IS SATAN?**

Satan and his fallen angels occupy the second heaven and are also present on earth. Some refer to Satan and the fallen angels as “unclean spirits” and to the demons are the spirits from the Nephilim (Nephilim are the spirits of the fallen angels that manifested in the women on earth and the giants were born)

There are at least three heavens. The earth's atmosphere is the first heaven. Then the second heaven is the stars that we can see. Beyond that, which is invisible to us, is the third heaven where God, His angels and the Saints are.

Although Satan is present in the world, he is not omnipresent, meaning he cannot be in all places in the world at once like God can be. This is why he uses an army of demons to implement his plans.

These demons and unclean spirits work within a hierarchy similar to what Satan saw in heaven.

One would assume that Satan's throne is in the second heaven. His final throne will be in the bottomless pit.

## **SATAN'S ACTIVITIES**

Satan has access to the presence of God and works on the earth, including the airspace around the earth including the second heaven. We may summarize the activities of Satan by saying that it is always directed against God, His plan, and His children.

He will attack you in the area of worship of God, the Word of God, your Christian Walk, and your work for God. He is the accuser. Satan constantly watches what God's people do and as soon as they slip up, Satan accuses them. Satan also keeps reminding people of what they have done in the past. Satan uses thoughts and other people to remind us. If someone keeps reminding you of your sins and mistakes you have made, it is Satan who is using them to do this.

Satan came to kill, to steal and to destroy. Everything related to these comes from Satan and his minions. Satan is the father of lies, he is a deceiver, a false prophet, and embodies everything that is ungodly.

There are people who do "Exorcism". This is the casting out of evil spirits. Some of the people involved in exorcism say that there have been cases where Lucifer manifested and insisted that Jesus was only a man. That is why Lucifer will not say: "Jesus Christ is Lord" This makes one understand why certain religious "churches" also insist that Jesus was only a man. It is clear who is responsible for the establishment of these religious "churches".

Satan imitates everything he learned and saw in heaven and he distorts everything. All diseases come from Satan. Even modern medicine comes from Satan. The word "Pharma" means the narcotics that are sold as medicine to enslave people and kill them.

Modern medicine has its origin from the word pharmacy. The word "pharmacy" originates from the Ancient Greek word pharmakeia (φαρμακεία), which meant "the use of drugs" or "medication". In Revelation the Bible refers to pharmakeia as sorcery- the use of drugs or spells for magical or harmful purposes, often associated with occult practices. A lot of medicine today contains more harmful ingredients than good ingredients. The so-called good ingredients are used to mask the bad ingredients that cause more harm and even kill people. The best example being the Covid vaccine.

There are still a few honest doctors left. One of them said that he will not prescribe modern medicine to any of his patients because it is poison.

Satan has a system like the one God has for God's children. A hierarchy of authority. Satan has become such a common household member that very few people realise that Satan is in full control of their lives. What they do, think, talk, and who they worship comes straight from Satan himself. Satan are leading people to hell in a way that they even enjoy going there.

Satanist churches use the King James Bible, so do the Freemasons, the Mormons, the Jehovah witnesses, the

Seven-day Adventist to name but a few satanic organisations.

The founder of “Christianity” Constantine himself was not a Christian until the very end. He got baptised on his death bed just in case it might help him. He worshipped the sun god and introduced Sunday church as a result.

All the days of the week and the months of the year has names of idols. Satanic names. That is why people open doors when they become involved with astrology, horoscopes and alike. The demons are allowed to enter and control people so that the characteristics of the demon manifest in people. That is why horoscopes can predict the behaviour of people.

There is not a single thing on earth that Satan has left untouched. Not even the Bible. Study and compare the bible with the original text and you will see for yourself. Be careful what you use as the original text because Satan was there from the beginning.

### **SATAN'S GIFTS TO HIS CHILDREN**

We know that all people are born in sin. All people have a natural tendency to sin. To be born in sin means that demons control people from the day they were born. In this state of being born in sin, people make choices between good and evil and they are also influenced by other people and demons, including the devil himself. God then enter the lives of some people and as a result

they are able to choose God and become children of God. The people who choose evil, remain children of Satan.

God's children receive the gifts of the Holy Spirit and Satan's children receive gifts of evil spirits. The gifts of Satan are demons, demonic powers and evil character traits.

Evil spirits influence or possess people when the demons enter people. People who have not made a choice to accept Jesus as Lord and Savior are not a threat to Satan. They are left in the state they are in because they are doomed for hell anyway. Those people who choose to actively engage in practices that are evil receive more evil spirits and more evil powers.

Most people fall into the category of indecision, because they have not made a choice to follow Jesus. Some denominations even tell their members that there is no need to make a choice, that they do not have a choice.

These people are born in sin and will remain where they are forever. No demonic activity will ever be noticed in them and some may even appear to be "good" people. Church going people. Although no demonic activity is noticeable, this does not mean that there is no evil present in their lives. Satan likes to operate unnoticed. Satan continues to blind their minds and prevent them from accepting the truth and accepting Jesus as Lord and Savior. These people's minds are not circumcised. They have an invisible skin/membrane that prevents them from seeing and hearing spiritually. Like Pharaoh,

their hearts/souls are hardened, causing them to not be able to hear and receive the word of God.

The demons that prevent people from hearing must first be rebuked and bound to break their power over people and then people can be receptive to the truth and the gospel of God. This means that all non-Christians must first be set free before they can accept Jesus as Leader and Savior. Pride and arrogance make people including pastors believe that they can convince others to become children of God. No human being has the ability to do that. God calls who He will, where He will, and when He will.

Wherever Jesus went, He cast out demons, healed people and then said to them: “follow Me”, “sin no more.” Jesus gives eternal life. Satan rewards his children with eternal death. Satan came to steal, kill and destroy.

### **THE ACTIVITIES OF DEVILS**

Demons follow the orders given by Satan. They have a reporting and command structure similar to the one Moses had for the Israelites. They have commanders over legions, commanders over thousands, commanders over hundreds, and commanders over tens. They are many demons with the same name. There are millions of people that have Lucifer in them. It is not one Lucifer that is split into a million. No, it is a million demons that all have the same characteristics as Lucifer. They are well trained to be all the same.

The strongest demonic spirit in a person (the strongman of a group) can allow other demons to enter and the entire group is then controlled by the strongman-demon. There are demons with human names and human characteristics. Familial spirits. They take the name of a family member and is reincarnated from generation to generation.

We can summarize the activities of demons by saying that they are always directed against God, His plan, and His people. Demons are commanded by Satan to attack the Word of God, your worship of God, your walk with God and your work for God, your relationships on earth, your thoughts, and your body. Satan uses demons to implement this strategy throughout the world. Demons extend Satan's power by bringing about deception and wickedness. They attack individuals, governments, nations and the world system. They promote rebellion and slander both God and people. They promote idolatry, false doctrines and blind people from knowing and believing the truth of the Gospel. These demons attack people by driving them to commit terrible evil acts, to murder, rob, injure, steal as well as to commit suicide, child abuse, etc. They affect the mind with emotional problems and the body with physical problems. Demons also attack people through temptation, deception, depression and oppression. They try to keep you in bondage through bad habits and to live in fear and anxiety. They accuse and slander you and other children of God. Unbelievers are defenceless against the attacks of

demonic forces, but believers have powerful weapons and strategies for dealing with this mighty spiritual force of evil.

## **THE FLESH**

The worldly influence is an evil social force that Satan uses to attack believers from the outside. It is the corporate organization of fleshly desires, needs, and lusts. The desires of the flesh, including pride, sex, appetite, drugs, prestige, vanity, seduction, greed, are evil forces that work within people. Each one is an unclean spirit. The same "fleshly spirit" that is at work in the world will be at work in your life if you allow it to do so.

The word "flesh" as used in Scripture refers to the mental and physical part of man.

## **THE DESIRES OF THE FLESH**

*"I say, "Live by the Spirit, and you will not be carried away by the desires of the flesh. For the flesh desires what is contrary to the Spirit, and the Spirit what is contrary to the flesh. For these are opposed to each other, so that you cannot do the things that you would." (Galatians 5:16)*

What are the desires of the flesh? "Sexual immorality, impurity, sensuality, idolatry, sorcery, enmity, strife, jealousy, fits of anger, outbursts of rage, selfish ambition, deceit, heresies, envy, murder, drunkenness, orgies, and things like these." The Bible warns that we should not desire evil things. Lust for evil things that please your carnal nature is "lust of the flesh." This is what Satan

uses to attack us. Satan knows our weaknesses and he knows how to exploit them without us realizing it is Satan. Satan does this and then he makes us think it is we who are so bad on our own. God created people and their needs and desires, but the devil distorted all of that.

## **HOW LUST DEVELOPS**

Lust, or sinful desires, begin with the natural senses. The eye sees something seductive or the ear hears something wicked and the mouth tastes something very tasty. A touch, a taste, or even a smell can incite lust. This is how Satan uses the world to tempt us about the flesh. It starts with a thought that Satan plants in our head. As soon as we start to cherish the thought, the demon begins to enter us. The thought then manifests itself in an act that gives expression to the lust.

This same process can help us understand that faith without works is nothing. It doesn't help us to just think about faith and trust, we must actually apply it. The thought of trust must manifest in an act of trust. In this way we cancel and overcome the lust that is trying to overtake us. Remember, God never tempts us. We are tempted by Satan when we are tempted by our own sinful, fleshly desires. But we do not have to give in to this temptation. God always provides a way of escape. Satan will provide the "flame" that can ignite your lust. It is up to you to decide whether you will blow out the flame or whether you will allow it to ignite your evil desires. Blow out the flame before it ignites you.

When you are saved and filled with the Holy Spirit, the Spirit lives in you. The Holy Spirit helps your soul to resist the desires of the flesh. Your flesh fights against your soul and against the Holy Spirit of God who is in you. When you look at a person or an object for the first time, the “unclean spirit of temptation” tempts you to allow your desire to control you. As soon as you look a second time, sin manifests itself and you give in to temptation. The decision not to be tempted must be immediate, no second thoughts, the longer you wait the more difficult it becomes.

The lust to kill start with words such as “kill the farmer, kill the Boer.” The more and the longer you nurture the thought the more it starts to manifest and if left to grow it will manifest in action. Rebuke, bind and command the demon, in Jesus Name, to go away from you and not harm you.

### **POWERFUL EVIL FORCES**

The world, Satan, his demons, and the flesh combined are waging war against God's children. Satan's original sin was that he wanted to be like God, and all of his current powers and activities are primarily directed against God. Satan's attack on Adam and Eve was an attack on the character and control of God. So too did Satan use Cain against Abel. You can study every attack of Satan recorded in Scripture and you will discover that it is actually an attack on God and His activities and character. Satan is in direct opposition to God in

everything. God is love while Satan is hateful and promotes hatred. God is life and creates life while Satan kills and destroys. Kill the farmer-kill the Boer is directed against God. Just as Satan wanted to wipe out the Israelites, so he wants to wipe out all of God's children. No child of God will utter such words, regardless of the motivation to do so.

People can be so easily confused due to a lack of knowledge. One example is the word "love" as mentioned in the Bible. It has more than one meaning. The love of God is an unconditional love, a devotion, a love as described in the Bible. Not the erotic love between two people who are "in love" to fulfil their physical desires.

The word "love" is used by Satan to deceive people. You often hear people say, "If you love Me, you will let me do what I want to do." True love is directing a person toward what is right and good, not toward what their own will and desires would have them do.

Satan comes and he tries to destroy what God is doing. Nothing and no one escape his attack. The church is the main target that Satan uses to confuse, deceive, and destroyed. Satan has infiltrated the church without anyone noticing. Over the last 2000 years, Satan has been systematically destroying the church in small steps. The church has continually adapted to the times, little knowing that they are playing right into Satan's hands. The Bible says go to the crossroads, and seek the ancient way. The way that God originally indicated and then you

must walk on that ancient way. This ancient way is the spiritual way that the Disciples walked, 2000 years ago. Everything after that has been corrupted by Satan. All the man-made churches that are built on man-made rules and are controlled by men are evil.

The Bible teaches us: The church must be built on Jesus as the rock and the church will grow as the church “continues in the reverent fear of YHWH and the comfort of the Holy Spirit.” Analyse the church and you will find either no reverent fear of God and the Holy Spirit is not actively present.

Satan is called the "god of this world" and it includes all people who are not God's children. There are only two gods, God (YHWH) and Satan. Satan comes in many forms shapes and names to deceive people.

He offered the nations to Jesus during the temptation of Jesus, and Jesus did not dispute the legitimacy of the offer. Satan did not know that Jesus and God, along with the Holy Spirit, were the triune God. If Satan had known that Jesus was God, he would never have crucified him. After Jesus was crucified, He went down to Hades and freed the prisoners (Old Testament saints) and took away the key of Hades. Death (Satan) lost his power.

Satan uses his demons to influence and control nations, thus destroying the leaders and kill the people spiritually and physically. This is why there are cruel dictators and wicked political systems in many nations. It is also responsible for the wars and divisions between nations

and people. Every country and region has an evil unclean prince who controls the unclean spirits and people with unclean spirits in that country or region. These princes report to the powers and principalities in the second heaven. The battle cry; Kill the Farmer-kill the Boer fits beautifully into Satan's modus operandi, as does everything we see happening in the world.

### **THE TRIUNE GOD**

We are taught that God is a triune God; Father, Son and Holy Spirit. If we read the entire Bible, we find that the Father is in heaven. We also read that in the beginning was the Word and the Word was with God the Father, and the Word was God. The Word existed with God the Father from the beginning. All that was made was made by the Word and without the Word was nothing made. In the Word was Life and the Life is the light of men. Then we read that the Word became flesh and walked among men. This Word is Jesus. Now it is easy to understand the term “triune God”.

The triune God is: The Father; the Word that the Father speaks and the Soul of the Father. (Soul is just another word for spirit). So, man was made in God's image. We have a body; we speak and we have a soul.

In the Old Testament, God communicated with people through Jesus and the Holy Spirit. Jesus appeared to people as an Angel but because it was strange to people, because they did not know that it was the Son of God and they did not like the idea of a Leader that was not

visible and physically with them. They kept on returning to earthly idols. People still do that today.

God then decided to come to earth in the form of a man. He spoke the Word and said that the Words he spoke must manifest and come to earth in a human form, in order to come and save the people. The Word then manifested in Mary and Jesus was born. The Word became flesh and dwelt amongst us. Jesus was born. God then used Jesus to speak to people. Jesus was the body but the words he spoke came from God. The words Jesus spoke manifested and he drove out demons, healed people and taught people. Till today whenever we speak words in the Name of Jesus. Our words manifest and the words became action. We can drive out demons, heal people and preach the good news in Jesus Name.

### **THE NAME OF JESUS**

It is a general rule in literature that one should not change a person's name when translating a book. However, when it comes to the Bible, we find that this rule is not adhered to at all. One wonders why? The only reason could be to confuse and mislead people. If my name is John, then my name remains John regardless of what language you say it in. The pronunciation may vary, but the spelling remains the same. However, all the names in the Bible have been changed. Jesus comes from the Latin word Isus and the Hebrew word Yeshua. Yeshua comes from Yehoshua and Yehoshua comes from YHWHoshua (YHWH saves) pronounced as Yahwehoshua

which means “YHWH is salvation” or “YHWH saves.” For ease of pronunciation, they then called it Yeshoshua and later Yeshua and then Jesus.

Jesus is not a name but it describes who YHWH is. The words “In the name of Jesus” means: “*In the Character and Authority of YHWH our Savior*”. We can now also understand better when the Bible says we must have Jesus in us; The Word of YHWH must be in us. If we have the Word in us, we will speak the Word. The Word in us will change our minds and give us new thinking and make us new people who are spiritually born again.

The name Jesus is a very common name and there were and are many people with the name-Jesus. It is very important that we know who the real Jesus is because even Satan can disguise himself and pretend to be Jesus. There are even people whose surname is “Christ”. The word “Lord” means “The one who rules my life” and “God” means “The one whom I worship.” So, when I say: “My Lord and my God” I am saying “The one who rules my life, whom I worship.” (Remember Lord and God are not names).

Now comes the trouble – for example – if drink, cigarettes, sex, lust, food, pleasure, sports, soap operas, TV, pornography, etc. rule my life then these are my lords and my god because it rules my life and I will do anything these idols demand of me.

The Bible says; trust, believe and worship YHWH with all your heart, all your mind and all your strength. 100%. If

we don't do this, then idols are our lords and our god. If you pray or sing a song that has lord and god in it, without reference to Jesus or YHWH, you are worshipping your idols in church.

If you specify to say “my God, YHWH) then it means you are referring to YHWH. My “Lord Yeshua” refers to: my Master is Yeshua.

Some churches use pictures and sketches to represent Jesus. The Bible is very clear that we are not allowed to do this, not even in a Children's Bibles. It also carries the danger that people will worship this person in the pictures because they look at the picture or they see the image in their minds when they worship. This is idolatry - Satan worship. Movies such as Passion of the Christ is different in that they tell you the actors name and everybody knows the actor is just playing the role, he is not pretending to be Jesus.

### **THE NAME OF OUR HEAVENLY FATHER**

The name of our Heavenly Father is also very important. If we use the wrong name we are lost. The devil comes and convinces people that it does not matter, that we know who we are talking about. Really! Take your own name, people can call you whatever they want? How will you know then that they are talking to you?

The word God is not a name either. Compare it to a person's name. We say “Ann's husband is John.” Now we

cannot say "Ann's husband is husband". (Ann's God is YHWH- Ina's God is God).

As already stated, the word God is used in this book because it is the name most people know. After this explanation, the correct name will be strictly adhered to.

When Moses spoke to God and Moses asked what should I say to the people who You are, God said, tell the people "I Am" has sent you. "I Am" is YHWH. To pronounce YHWH we say YAHWEH because that is what it sounds like when you say it. Some Hebrew people say Yahu. When we write we should use YHWH and no other form.

Jehovah is not YHWH's name; it is something that is made up. If You use the name Jehovah, then you might as well become a "Jehovah witness" because you are then praying to the same idol.

The Bible is clear. *"and it shall come to pass that everyone who calls on the name of YHWH shall live."* We cannot call upon any other name and expect YHWH to hear us. The only other name reference is *"my/our Father in heaven."* The Apostles' Creed tries to explain who God is by saying "I believe in God the Father, the Almighty Creator....." Even that should be "I believe in YHWH our heavenly Father...."

The word god is of pagan origin. All gods including Satan are gods. Writing it in capital letters helps those who know who is being spoken of, but it is still not YHWH's name. Interestingly, when we pronounce YHWH, the YH

is an inhalation. Breathe in hard when you say YH and you hear YAH. Breathe out and you hear WEH when you say WH. John 14:12-14 *“Most assuredly, I say to you, whoever believes in me will do the works that I do; and greater works than these will he do, because I am going to the Father. Whatever you ask in my name, that will I do, so that the Father may be glorified in the Son. If you ask anything in my name, I will do it. If you love me, keep my commandments.”* (The word “Name” can be replaced with “Authority and Character”. Yeshua gives us the authority to bind, rebuke and cast out demons, for example, but we can only do this in his Name (Character/Authority). A name reflects the character of the person. That is why it is so important to use the original Hebrew names. In Hebrew, "Yeshua" (Yehoshua) means "YHWH is salvation" or "YHWH saves" It comes from the Hebrew name Yehoshua, which also means "YHWH is salvation". The Bible also refers to Yeshua as: “YHWH with us”.

For example, if we make a list of all the Hebrew names in the Bible from Adam to Yeshua (Jesus). Just the names, and we then look at what each name means, we get a summary of the Bible. The names tell the entire Biblical story from beginning to end.

Here is another example of how cunningly Satan misleads the people who translated the Bible as well as the people of Yisrael. The name Yisrael means- He says: *"You will no longer be called Ya'akov, but Yisra'el, for you had struggled like a prince against God and men and prevailed."* Some scholars say Israel means “One who

wrestles or struggles with God”. Others say, it is “One who strives or prevails with God”. And still others say, “Prince of God”. The El in Yisrael means god. It is written here with a small letter e. If El was God then it should be IsraEl.

Who is the god whose name is El? Originally, El was a Canaanite idol as well as the idol of the Semitic people in Mesopotamia. Because the word god is used so loosely, as it is today, the Hebrew translators assumed El was the god of Yisrael and thus translated it as Yisrael. If we use the correct name for the God of Israel (Yisrael) it should be “Yisrayahu”. Yahu comes from an alternative Hebrew pronunciation for YHWH.

Now there is another Hebrew version of this storey: This version says that while Jacob was dreaming about the ladder going to heaven, a demon tried to prevent him from going to God. Jacob struggled with the demon until day break and he overcame the demon. This version is much more plausible than the storey in the Bible. We must remember that Bible translators are just that, translators. They do not understand spiritual worship and they therefore translated the storey based on their understanding. Most Bibles say that Jacob struggled with an Angel. Why would either God or an angel of God had struggled with Jacob? Struggling and fighting with people is not from God.

What make sense is that Jacob struggled against man and demons and he overcame them.

This has a huge effect on Yisrael because it means they are either children of El or children of YHWH. It can appear as though El may be correct because the vast majority of people in Israel do not worship YHWH, they worship El.

Even for us as children of YHWH this has tremendous consequences because we are the “new Yisrael”. However, none of us want to be associated with the idol El. So, what do we do? It is better to say we are descendants of Abraham and children of YHWH or we are the people of YHWH. We can however confidently say that as children of YHWH we struggled with man and demons and we overcame sin. We are therefore Yisrael. We overcame El.

The Bible also teaches us: “Do not call yourselves fathers on earth, for one is your Father, who is in heaven.” Most Bibles ignore this instruction as well. The same with “Leader.” The Bible says call no one on earth your leader for we have only one Leader, Yeshua.

YHWH told Jacob, from now on you would be Yisrael. However, the Bible goes on to call him Jacob. How arrogant can people be by thinking they can ignore YHWH and do whatever they want.

## **WIN FIRST BEHIND CLOSED DOORS**

What happens behind closed doors is where we spend time with YHWH, and where our victories will be determined. Seek first the Kingdom of YHWH and all these things will be added to you. Surrender everything

to YHWH. Only YHWH can help us win our personal wars. YHWH has already achieved victory over Satan but we are being tested to see whose side we are on, who we trust?

Do not trust any person, political party, church, or pastor. They are powerless. Trust in YHWH and in Him alone.

Don't pray out loud. If we pray out loud the demons hear us and then they come and confuse us by putting distorted thoughts in our heads related to our prayer or they know what to focus on so they can resist YHWH's answering of the prayer. Remember Daniel prayed and then the Angel arrived three weeks later. The Angel then told him that YHWH heard his prayer but it took three weeks to fight Satan and his demons to get from the third heaven through the second heaven to Daniel. They heard Daniel praying and then tried to prevent the Angel from coming. If we pray in silence then we know that the prayer remains between us and YHWH.

In any case, there are many things that we should keep secret between us and YHWH. We should not blurt out everything. Do not throw your pearls before swine, says the Bible. Do not share everything that YHWH reveals to you with others. There are things that should remain between you and YHWH. If you tell everything to other people, the demons will hear you and use it against you. Remember Satan and his demons never sleep and they are really always nearby waiting for an opportunity to

hear or do something or use it to accuse us or to deceive us.

## **THE MINISTRY OF THE HOLY SPIRIT**

The Holy Spirit is critically important in our lives, which includes spiritual warfare. The Holy Spirit knows the strategies of Satan and intercedes for believers who are engaged in spiritual warfare. The Holy Spirit gives us the power and wisdom to resist the enemy's attack. If you get a thought in your mind out of the blue, you can know it is from the Holy Spirit. Everything good comes from YHWH including wisdom and understanding. Never boast about your own or someone else's wisdom or mental abilities. It is not you or they who are so intelligent or wise. The same goes for the proverbial "blonde moment". This is most likely a demonic screen/blockage that prevents the person from hearing or understanding. Remember, we are fighting in the authority and character/personality of Yeshua and with the power of the Holy Spirit. Without YHWH, Yeshua and the Holy Spirit we are defenceless.

The gifts of the Holy Spirit are valuable weapons of warfare. The gifts of the "word of knowledge" and the "word of wisdom" provide supernatural revelation for spiritual warfare. The gift of "discerning of spirits" reveals the deception of the enemy. You must get out of the way and allow the Holy Spirit to work through you. Yes, allow Yeshua and the Holy Spirit to reveal Themselves in you

and allow them to fight the battle and the war. This includes speaking in tongues.

### **PUT ON THE ARMOR OF YHWH**

Put on the whole armour of YHWH, so that you may be able to stand against the attacks of the devil. (Eph. 6:). *“Put on the whole armour of YHWH, that you may be able to stand against the schemes of the adversary, for your struggle is not against flesh and blood, but against the rulers, against the authorities, against the world rulers of this darkness, against the spiritual forces of evil in the heavenly realms. Therefore, put on the whole armour of YHWH, that you may be able to stand against the evil one, and having done all, to stand. Stand firm therefore, having girded your loins with the belt of truth, and having put on the breastplate of righteousness, and having shod your feet with the preparation of the good news of peace, joy, health, prosperity, and contentment. In addition to all this, take up the shield of faith, with which you will be able to quench all the flaming arrows of the wicked one. Put on the helmet of salvation, and take up the sword of the Spirit, which is the word of YHWH. With all prayer and supplication, pray in the Spirit on every occasion. Be vigilant in prayer at all times in Him, praying and interceding constantly for the saints.”* (The saints are the children of YHWH).

"Put on" indicates an action that you must take. The purpose of the armour is to enable us to stand against the attacks of the enemy, Satan. It is our responsibility to

put on the armour: "Put on the whole armour of YHWH , that you may be able to stand against the wiles of the devil."

A very important part of warfare is to apply the blood of Yeshua on our door frames. What does this mean? The Israelites had to paint the blood of the Lamb on their doors to make sure the angel of death would pass over them. Today we still have to do this. We have to apply the blood of Yeshua on ourselves to ensure that we are marked and that Satan and his demons know we belong to YHWH. How do we do this? By regularly, preferably daily, saying out loud: what the Bible says, the blood of Yeshua does for us. "That is: The blood of Yeshua brings us into the right relationship with YHWH, sanctifies us, makes us righteous and justifies us and reconciles us with YHWH.

### **THE ATTITUDE OF CHRIST**

*" Keep on thinking in harmony with one another. Stop being high-minded but keep on associating with lowly people. Stop being conceited. Stop returning evil for evil to anyone. Always see to it that your affairs are right in the sight of everybody. If possible, so far as it depends on you, live in peace with everybody. Stop taking revenge on one another, beloved, but leave a place for God's anger, for the Scripture says, "Vengeance belongs to me; I will pay them back, says the Lord." Do the opposite. If your enemy is hungry, give him something to eat. If he is thirsty, give him something to drink, for if you act in this way, you will heap*

*burning coals upon his head! Stop being conquered by evil, but keep on conquering evil with good, says YHWH."*

Romans 12.

To be "transformed" means to experience a complete change that will be reflected in our character and our behaviour. Having your mind renewed by Yeshua leads to such a transformation. Allow Yeshua to manifest Himself in you. Allow Yeshua to control your thoughts.

The use of the Lord's Supper is of crucial importance. The bread we eat and the grape juice we drink are the body and blood of Yeshua which we eat and drink in remembrance of what He has done for us and still does, and of the transformation that His body and blood do in us.

## **BREAK DOWN FORTIFICATIONS**

The purpose of active warfare is to dismantle/destroy and throw down the strongholds of the enemy: "*For though we walk in the flesh, we do not war according to the flesh. For the weapons of our warfare are not of the flesh, but mighty through YHWH, for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of YHWH, and bringing every thought into captivity to the obedience of Yeshua. And we are ready to inflict punishment on all who disobey, when your obedience is complete.*" (II Corinthians 10)

Few people know that something like arguments can be stopped through spiritual warfare. Rebuke and bind the

demon/s (rebellious strongholds) that cause the argument, in Yeshua's Name, and command them to stop it. This applies to everything that is ungodly. This includes music, gossip, dirty jokes, slander, fighting, road rage, attackers, etc.

*“The night is far spent, and the day is at hand. Let us therefore cast off the works of darkness, and let us put on the armour of light. Let us walk honestly, as in the day, not in carousing, and drunkenness, and lewdness, and strife, and envying: but let us put on the Yeshua, and make not provision for the lusts of the flesh.”* (Rom. 13) (Matt 10). *“The Kingdom of Heaven is at hand. Heal the sick, cleanse the lepers, cast out demons.”*

Yeshua has conquered Satan, but Satan and his demonic forces are still busy attacking people and the world. They are trying to control the territory that belongs to Yeshua. They try to blind people to the fact that Satan has been defeated. They try to control homes, churches, and nations. This is why the spiritual warfare of the believer is so important. It is our task to remind and reawaken people of Satan's deception and his attempt to regain control of the territory that rightfully belongs to YHWH. This spiritual territory was conquered by Yeshua and Satan was cast out.

Satan and his demons want to come and invade YHWH's territory. They are trying to expropriate YHWH's territory without compensation. The property Yeshua has paid for with His blood.

Yeshua taught us to rebuke all that is evil by saying: “Get behind me, Satan!”

The spiritual battle has victims who are overtaken and destroyed by Satan and his forces. The Bible teaches us that the words that people utter can either result in life or death. By speaking words of death over people, the person is pronouncing a curse upon those people. The people upon whom the curse has been pronounced cannot just sit and do nothing. They must resist the curse, cancel it, and bind, rebuke, and command the demons to leave and not do any harm. This must all be done in Yeshua’s Name. No one can engage in this battle on their own. *“For though we walk in the body, we do not war according to the flesh, "For the weapons of our warfare are not of the flesh, but of the power of God" 2 Corinthians 10.*

If we do not cancel the curse, it means that we are opening a door and allowing the demon to come in and attack us. Our laxity is our downfall. Laziness is a demon that must be fought. We have all the spiritual armour, use it.

## **BLOODLINE CURSES**

The Bible tells us that the sins of the ancestors will be passed on to the children to the third and fourth generation. However, it is much worse for families where the ancestors belonged to Satanism and Satanist organizations or to churches that worship Satan. The Freemasons are Satan worshippers and this includes all

associations and churches that are linked to the Freemasons. Most organisations and churches are part of the Freemasons. The pastors and leaders of the organisations and churches have secretly joined the Freemasons. This is where many of the problems come from and very few are aware of it. Virtually all people are connected to the Freemasons in one way or another. It starts with the ancestors who came to South Africa. They were Freemasons and consciously or unconsciously brought the Masonic principles to South Africa. The Freemasons' "golden thread" (Actually a black rusty wire) can be followed all the way through the history up to this day. The best example is probably the Voortrekker Monument. The monument's design and construction are based on Freemasons principles worshipping the sun god. Virtually all the leaders in South Africa are either Freemasons or they are linked to the Freemasons. The Monument itself is an altar erected in honour of the Sun God. The designer deliberately designed it that way. The fact that the sun shines on a certain spot on December 16th is a form of homage to the Sun God. Anyone who visits the monument brings honour to the Sun God. The Parliament building in Cape Town stands on Masonic land and most cabinet members visit the Masonic Lodge on a regular basis. Level 33 Freemasons admit that they worship Satan and due to the satanic nature of the Freemason organization, all members and their children are dedicated to Satan. The satanic curses are effective up to the tenth generation. The curse is on the descendants whether they want to know or admit it or

not. Many of the ancestors sought advice from Sangomas or became involved in idol worship or communicated with dead spirits or invoked the god of luck or had soul ties with people who have unclean spirits but to name a few.

There is not one family that can say “We are innocent”. All sins have consequences and we cannot escape the consequences. We cannot say we did not know. What makes it even more tragic is that most of the political Leaders and Church Leaders were and they still are actively involved with all the evils of the past.

A high-ranking Freemason told a public event how they had infiltrated all the churches and governments and then he said: “If we as Freemasons are able to infiltrate all the churches and governments and were able to convince them to join us, then who is there in this world that we will not be able to deceive.”

A preacher recently said, the problem with people is that the blood of their traditions flows thicker than the blood of Yeshua in their lives. The blood of habit, the blood of religion, the blood of my own will, the blood of pride, the blood of politics, etc. flows thicker than the blood of Yeshua.

No one can escape these curses unless the curses are broken. However, it is not wise to break a curse on people unless you make them understand what you are doing and why you are doing it. If a person does not understand something, the person will not believe that it is necessary, and will not believe that it will work. If one

cannot believe in it, one cannot have faith, and without faith nothing will change.

### **HOW DOES THIS AFFECT ME?**

Many things that happen in our lives are directly linked to these curses. This gives Satan the right to attack people because they are dedicated to Satan and Satan's lies are taking hold of the people without them realizing it. Just as a child of YHWH is led to YHWH by the Holy Spirit, so these people are led by unclean spirits to Satan and the deep, dark pit of evil.

People think they are on the right path because they go to church, live a good life and do not commit sins but little do they know that they are on the wrong path. They rely on other people to show them the way. The blind lead the blind and fall into the pit. Most people find it very difficult to admit that what they have done so far in their lives were wrong. They have walked so far on this wrong path that they do not want to stop and return to the right path. They want to stay where they are, because they want to walk with their friends on the same path as their ancestors.

A large number of people are dying as a result of these curses. Many people are suffering from mental, physical and spiritual diseases and ailments as a result of these curses. The curses must be broken before the people can be freed from the consequences of the curses. Jesus told his disciples, "*Let the dead bury the dead.*" If you want to live eternal life with Yeshua, you must walk the path that

leads to eternal life. We must turn our backs on what is wrong regardless of who was involved. Our traditions, customs, and family ties should not be a stumbling block in our path.

We don't turn our backs on people but on what they did and what they were involved in. The Bible also teaches us that we should pray even for our enemies and we should bless those who curse us. This also applies to those who have caused us to be punished with a curse because of their actions. Remember we forgive the person and pray for the person who curses us because this person is/was subject to demonic attacks. Rebuke/bind and remove the demon and the person will not curse other people.

There is only one way, one truth, and one eternal life. Are you walking on this path, based on the truth, will you live forever?

### **HOW TO BE DELIVERED FROM CURSES**

Identify any possible curses in your life. Check your family background. Find out where the objects in your home come from. Most homes have something.

Once you have identified all the possible curses:

- Remove and destroy all Freemasons Souvenirs, anything that can be associated with a curse such as books, magazines, music, videos, clothes, jewellery, etc. - do not give them away or put them where someone else can find them.

- Confess any of your own or ancestors' sins or involvement in whatever could have caused a curse.
- Repent of it—sincere repentance.
- Denounce it.
- Forgive all persons who cause the curses.
- Rebuke the curses, break the curse and declare yourself free in Yeshua's Name.

### **PRAYER FOR DELIVERANCE FROM CURSES.**

Yeshua, I believe that You are the Son of YHWH and the only way to YHWH. I believe that You died on the cross for my sins and that You rose again from the dead. I acknowledge that You are my Leader and Savior. I confess You as my Leader, and by Your grace, I will follow You and obey You. I confess any sin in my life, and any sins of my ancestors. I trust You for forgiveness. By my will, I forgive all persons who have harmed or wronged me. I now forgive them as I would have You forgive me. I lay down all bitterness, hatred, resentment and rebellion. Yeshua, You know of any dark shadow over my life, any curse over my ancestors that has come upon me through my bloodline. I thank You Yeshua, that You were cursed on the cross for me so that I could be delivered from the curse and enter into the blessing. To do this I renounce every connection with Satan, and with all occult powers, and the Freemasons, whether through myself or my ancestors, or other relatives of mine. I commit myself to

cleanse my house of any object that honours Satan or dishonours YHWH. With your help I will get rid of everything. And now, based on my confession of the authority of your Word and your Name Yeshua, I make myself and those that is related to me free from any curse that was upon me, and by faith I now thank You for the deliverance. Amen.

### **THE OLD MAN**

The "old man" refers to the fleshly nature. The part that belongs to the devil. The flesh must be crucified. It will not die a natural death. You must crucify it by refusing to be controlled by it. Our flesh cannot be allowed to be our leader. Crucify it daily. We must hand over control to Christ.

People who have been given the ability to see demons taking over people say it looks like a person getting dressed in an overall. The demon slides over the person like a piece of material. When the demon enters the person, the demon, like a snake, enters through the person's mouth down his throat.

To crucify our "old self", we must take off this old garment and put on a new clean garment in the same process. We can compare it with a snake shedding skin. You must take off everything that is old.

You cannot take off the old one and not have a new skin, because then you are naked and when you are naked Satan will come back and clothe you again. You also

cannot put on both dirty and clean clothes at the same time.

There are people who do put on clean clothes over dirty clothes. They then pretend to be God's children. These are people who still have unclean spirits. People who are affected internally by the curses and demons.

You cannot put new wine into old wineskins, nor can you patch a hole in an old garment with a new piece of cloth. No. It doesn't work. Most people, like the Israelites during the time of Moses, are still in the spiritual wilderness. They are longing for the days in Egypt and are so busy kicking against the goads that they completely forget that they will perish in the wilderness if they cannot get out. Satan is keeping them in the wilderness. Time is running out!

Do you want to perish in the wilderness or do you want to live forever? Do you want to allow the curses and spells to destroy you or do you want to cast them away from you and cancel them?

### **WALK IN THE SPIRIT**

Your daily walk (how you live) can be controlled by Satan who uses your flesh, the world, and demonic powers to control you if you allow it. You don't have to be controlled by the world, the flesh, or the devil. You can learn to walk in the Spirit. To walk in the Spirit means allowing God's Holy Spirit to control your behaviour and life. The flesh is not more powerful than the spirit. If you

want to walk with Yeshua you must walk like Him and walk on the same path as He. This is compared to someone walking on the sand and there is only one set of footprints even though you are walking with Yeshua. If you allow the Holy Spirit's power to manifest in you, He will change your mortal soul so that you will have an immortal soul. A mortal soul goes to hell and an immortal soul goes to heaven.

To be led by the Spirit, you must have the Holy Spirit within you. You must cast out the old unclean spirit that is in control, and be filled with the Holy Spirit and thus be born again.

### **DEVELOP A CHARACTER OF REDEMPTION**

- Recognize that you are not of this world. You are a stranger here, and your home is in Heaven.
- Understand that you will experience tribulation in the world.
- Realize that the pleasures of the world are not worth dying for.
- Recognize the temporary nature of the world.
- As a believer, you do not have to be in slavery to the world system.
- You are no longer under the power and control of the world (Satan). He who is in you is much more powerful than Satan.

- Live separated/apart from the world.
- Resist temptation, and take every thought captive.

## **UNDERSTAND YOUR MISSION**

Your main goal and purpose in this life is to reach your final destination and to pass the final exam. Your final destination is to take your place with your Father in heaven as a building block in the heavenly Temple. You must not let the world rule you, but you must overcome the world. The believer should be a light in a world of darkness, reflecting the glory of YHWH and sharing the good news of the Gospel of salvation.

The impact of the early believers on the world was so great that they were said to have "turned the world upside down" (Acts 17). Like soldiers in an army sent on a mission to a foreign land, believers are on a special mission, sent by YHWH, into the world. They are commanded to love YHWH above all and to overcome evil, to destroy the works of the devil, and to stand firm till the end.

## **SATAN ATTACKS THE MIND**

The greatest commandment is to love YHWH with all our mind, with all our strength, and with all our understanding. This is one of the main reasons why Satan attacks our minds. *"And Jesus said unto him, thou shalt love YHWH thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind,*

*and with all thy strength, and with all thy understanding: This is the first and great commandment." (Matthew 22)*

Satan fights for our minds, our wills, our emotions, our imagination and our understanding because it is spiritually connected to our souls.

Satan uses our mouths: "*But all things that proceed out of the mouth come from the mind, will and emotion, and these defile a man. For out of the mind, will and emotion come evil thoughts, murder, adultery, sexual immorality, theft, false witness and slander.*" (Matthew 15). Satan fights for the mind, will and emotions, because the way we think influences the way we act. "*For out of the abundance of the mind, the mouth speaks.*" (Matthew 12)

Satan knows that if he can control our minds, he can control our bodies, our behaviour, our thoughts, and ultimately our souls.

Satan also uses our bodies, our needs and desires to attack our minds. This is the danger of slogans like "Kill the Boer." The words can manifest and take control of the mind, will, emotions and soul of the person who utters it, and then the person proceeds to implement the act.

The person listening to the chant, can passively listen and by doing nothing, open the door to be controlled by these demons with disastrous consequences. Or the person can engage in spiritual warfare and defeat the demons.

## **COGNITIVE DISSONANCE (BRAIN FOG)**

In the field of psychology, cognitive dissonance occurs when someone holds two or more conflicting beliefs, ideas, or values, or engages in an action that conflicts with one of these three.

Satan works in the minds of people to blind/dull/numb them to the truth. In most cases, brain dysfunctions/disorders are a direct result of unclean spirits. Satan dulls, stuns, blinds and ruins people's minds.

Few people realize that the Coronavirus vaccination vaccine has a demonic origin. People became afraid of the Corona Virus and began to be gripped by fear. Instead of trusting in YHWH, they ran to Satan. The “spirit of fear” was given the right to enter the them. The spirit of fear convinced them to receive the vaccine, and one of the consequences is a foggy brain.

There are several consequences such as blood clotting, heart disease, brain disease, lung disease, autoimmune disease, etc. People with cognitive disassociation cannot understand the truth. They are blinded like Pharaoh in the time of Moses. This spiritual disease holds many people captive and therefore people cannot escape from the clutches of the unclean spirits unless they undergo deliverance.

The unclean spirits must be rebuked, bound and cast out in Yeshua's Name. After that, the person must make sure that the Holy Spirit lives in the person, otherwise the

demons will return, bringing their demonic friends with them.

The circumcision of our hearts (souls) that the Bible teaches us is in reality the removal of the spiritual foreskin that prevents us from clearly “experiencing/hearing/living/understanding” YHWH. We must remove the spiritual foreskin by getting rid of the unclean spirits.

### **DEMONIC ILLNESSES**

There are many illnesses that can have a demonic cause. This includes: Depression, despair, discouragement, vengefulness, rebellion, cancer, phobias, irritations, incurable diseases, unexplained illnesses, addiction, misconduct, obesity, and many more. Remember all diseases come from Satan.

We can get the diseases as a result of heredity, behavioural, habitual causes or due to our lack of knowledge, because of spiritual open doors/gates, idolatry, our associations, soul Ties, sin, curses, lust, dirty thoughts, etc.

Whenever we are sick, we must first go to YHWH and pray for healing and understanding. Ask YHWH to reveal the cause of the illness as well as the remedy.

### **ACCUSATION AND CONVICTION**

Satan is called "the accuser" (Revelation 12:10). He will send fiery arrows of accusation into your mind, making you feel inferior and condemning you. He will give you

guilty feelings of shame, unworthiness, and embarrassment.

To distinguish the difference between the conviction of the Holy Spirit and the condemnation of Satan is to remember that Satan always generalizes. “You are no good,” “You can never live a Christian life,” “YHWH cannot love you because you are too great a sinner.” “You are, a drunkard, useless and unworthy. He is also the accuser and reminder of past sins.

When the Holy Spirit convicts you, it is specific. For example, he brings to your attention that you have a problem with anger or dishonesty. Satan attacks you as a person while the Holy Spirit makes you aware of unclean spirits in your life. The Holy Spirit will never accuse, slander, belittle, point out or accuse you or others of their mistakes and sins.

If a person comes to you and does these things then you know it is Satan who is using the person.

(2 Timothy) *“For God has not given us a spirit of fear, but of power, love and a sound mind.”* If we listen to the Holy Spirit, we will stand firm against Satan's attacks.

## **SPIRITUAL RESISTANCE**

When we do not resist the arsenal of weapons that Satan uses against us, we will lose the battle. Hatred can lead to murder or theft or debauchery or divorce. However, the Bible teaches us that YHWH will never allow Satan to test us without giving us a way out.

Walk in the Spirit. Let the Holy Spirit lead you step by step. We choose the path we want to follow but the Holy Spirit shows us step by step how to stay on the path. Listen to the Holy Spirit and do what He says. When Satan comes with accusations of guilt, use scripture.

Know your Bible so you can use it when you need it. Let the Holy Spirit guide you. Paul, under the inspiration of the Holy Spirit, wrote: "*Let this mind be in you which was also in Christ Jesus.*" We are told to "*cast down arguments and every lofty thing raised up against the knowledge of God, and to take every thought captive to the obedience of Christ*" (II Corinthians 10).

If thoughts were not from the enemy, there would be no reason to take them captive. Think of how a soldier takes an enemy captive in the natural world. Apply these ideas spiritually as you "take captive" every thought. Paul said: "*For though we walk in the flesh, we do not war according to the flesh. For the weapons of our warfare are not of the flesh, but mighty through God to the pulling down of strongholds.*" (II Cor. 10)

We must reject evil thoughts that Satan put in our heads. One way to "gird up" the loins of your mind is to fill your head with pure thoughts. Walk in the Spirit, meditate on all that is pure, and listen to uplifting music. Read uplifting literature, study the Bible, seek the truth, praise YHWH all day long, in all things rejoice in YHWH.

## OUR TONGUE

The Bible says, *“the tongue also is a little member, and boasts great things. Behold, how much wood is kindled by how small a fire! And the tongue is a fire: the world of iniquity among our members is the tongue, which defiles the whole body, and sets on fire the wheel of nature, and is set on fire by hell. For every kind of beasts and birds, of creeping things and things in the sea, is tamed, and hath been tamed by mankind: but the tongue can no man tame; it is a restless evil, it is full of deadly poison. Therewith bless we YHWH; and therewith curse we men, who are made after the likeness of YHWH: out of the same mouth comes forth blessing and cursing. My brethren, these things ought not so to be. Does the fountain send forth from the same opening sweet water and bitter? Can a fig tree, my brethren, yield olives, or a vine yield figs? Neither can a fountain yield salt water and fresh water.”*  
(James 3)

The tongue is powerful because of the effect it has on other people. The tongue has the power to speak death or life.

The foregoing is clear when we look at the slogan “kill the Farmer, kill the Boer”. *“A good man brings forth good treasure from his heart; and an evil man brings forth evil treasure from his heart; for out of the abundance of the heart the mouth speaks.”* (Luke 6)

Satan uses the evil things we say to cause an opening in our spiritual fence: *“The tongue of the wise uses*

*knowledge rightly, but the mouth of fools spouts curses."*  
(Proverbs 15)

Take every thought prisoner. Think before you speak. Speak life about people and not death. The first step to gaining victory over the tongue is to get our hearts/souls right. Our mouths will speak what is in our hearts/souls. If our hearts/souls are not right, our tongues will reveal it. Let the Holy Spirit guide our tongues.

Out of the overflow of the heart the mouth speaks. Do not chase after the wrong treasures, for where our thoughts are there will be our treasures, and where our treasures are there will our hearts/souls and where our hearts/souls are there will be our eternal life.

What we occupy our minds with ultimately determines our eternal life or eternal death. Recognize that you will be held accountable for the words that come out of your mouth: "*But I tell you that every careless word that men shall speak, they shall give account of it*" (Matthew 12).

The more one talks, the greater the possibility of sinning. Peaceful words are more powerful than words of anger (Proverbs 25). With God's help, we can control the tongue. But we must take active steps to control our own tongue. (1 Pet. 3).

Speak words of wisdom and kindness. (Prov. 31)

BEFORE YOU SPEAK, ASK THESE QUESTIONS

1. Will what I want to say bring glory to God?

2. Is it the truth?
3. Is it fair to all involved?
4. Will it be beneficial for all involved?
5. Will it inspire others (lead to good will and better friendships)?
7. Do you know that what you are saying is a fact or do you have your own conclusions reached after hearing rumors?
8. If you have something against your brother or sister, you try to be reconciled with them before discussing it with others?
9. Is it absolutely necessary for you to say this?

#### PRAY THESE PRAYERS

"Set a guard before my mouth, and before the door of my lips." (Psalms 141) "Let the words of my mouth and the meditation of my heart be acceptable in Your sight, O YHWH, my strength and my Redeemer." (Psalms 19)

#### **THE WALLS AROUND US**

YHWH's children all have a wall or fence around them. This fence/wall protects us from the attacks of Satan and his demons. The wall around us is like the wall around Jerusalem that protects the people in the city. If there is an opening in the wall or a gate is open the enemy can come in. Nehemiah describes the condition of the walls around Jerusalem. They were ruined, destroyed by enemy invasion, and the gates were burned with fire.

We are now building blocks/bricks in the Temple of YHWH. The Temple is no longer in Jerusalem and there will never again be a physical Temple on earth built by men. If our spiritual walls are destroyed/broken, we are also open to attack by the enemy. We have no protection. It is our own fault. Nehemiah acknowledged that the walls were destroyed and the city was in its current state because of sin. When your spiritual walls are destroyed, is it also because of sin? Our sin or the consequences of our ancestors' sins?

We are talking about sin against YHWH. We need to know what caused the gap in the wall, then we need to ask for forgiveness and repent of what is wrong. Nehemiah felt an intense influence from God to rebuild the walls of Jerusalem to provide protection for its inhabitants. He and his workers were determined to "to arise and rebuild" (Nehemiah 2).

We must rise up and rebuild. The Bible teaches us that we must go to the crossroads and find the way of old and then we must follow it. Break with the sins of our past and our ancestors. Get rid of the curses. Cast out the demons. Rebuild the walls on the Rock, Yeshua. Prepare the Blocks before the construction begins. Make sure each Block will fit in its place otherwise the Block cannot fit and will be rejected.

When Nehemiah was determined to rebuild the wall around Jerusalem, he faced strong opposition from his enemies. When we are determined to rebuild spiritual

walls, we will experience similar opposition from our enemies. The strategies of Nehemiah's enemies are identical to the strategies Satan uses to attack spiritual walls. Unfortunately, Satan uses even those who are very close to us to cause us to stumble. Be on your guard, day and night. Test people by looking at the fruit they bear. The fruit that people bear comes from the spirit that controls the person. Good fruit comes from the Holy Spirit and bad fruit from Satan.

### **TRANSFER OF SPIRITS**

These situations occur because of a strategy of Satan called "transferring spirits." To "transfer" means to transfer from one person to another. The word "spirit" in these examples can refer to the "character, attitude, or motive behind an action." However, this "character and attitude" comes from a demonic source. We must remember that YHWH has given all people a soul and YHWH will not give anyone a negative or bad soul. A person becomes bad or negative when that person has a demonic influence in their life that overshadows their own good soul. The actions of each person display a certain "spirit." For example, a person demonstrates a gentle spirit, an exuberant spirit, or a rebellious spirit through his actions. A person's soul can be influenced by the spiritual forces of good or evil and he can transfer his spirit to others on a personal or group basis.

Before we study some biblical examples of spirit transference, it is important to understand our own soul

and why it is a major target of Satan's attack. YHWH created our souls. We distinguish between man's soul and spirit, although most Bibles use the two interchangeably. We refer to man's "soul" and the "Holy Spirit" of YHWH so that there can be no confusion between man's soul and YHWH's Spirit. Man's soul is a spiritual being that will live forever. It is the soul that gives life: "*For the body without the soul is dead,*" (James 2:26).

At natural death the soul and Spirit that controls our lives returns to YHWH (if we are children of YHWH): "*And the spirit shall return to YHWH who gave it.*" (Ecclesiastes 12:7).

Our souls go to heaven or hell depending on who our god is. YHWH is the Master/Leader of our souls: "*If we obeyed our fleshly parents, how much more ought we to obey our spiritual Father.*" (Hebrews 12:9)

YHWH wants His Spirit (the Holy Spirit) to live within us, so that we will be able to live for Him. That is why Satan attacks our souls: "*I will put My Spirit within you and cause you to walk in My statutes, and you shall be careful to keep My judgments*" (Ezekiel 36:27).

The Holy Spirit will help our souls to follow YHWH. YHWH will preserve our souls in holiness until the return of Yeshua: "*May the God of peace, joy, health, prosperity and contentment sanctify you all completely and keep you completely, (soul, mind, will, emotion and body) completely*

*blameless until the coming of our Lord, Yeshua, the Anointed One!" (I Thessalonians 5:23).*

An important reason why Satan attacks the soul of man is because it is the soul that bears witness with the Holy Spirit and gives the assurance of salvation: "*The Holy Spirit himself bears witness with our soul that we are the children of YHWH.*" (Romans 8:16). If Satan cannot succeed attacking our souls spiritually, he will revert to physical attack. By killing the body, Satan tries to destroy the soul as well.

Satan also attacks the soul because he knows it is a person with the right soul that YHWH uses for His kingdom: "*...but to this one I will look: to him who is humble and contrite in spirit and who reverently fears My Word*" (Isaiah 66:2).

It is possible to receive "another spirit." Paul mentions the transfer of "another spirit": "*For if he who comes preaches another Jesus, whom we have not preached, or if you receive another spirit, which you have not received, or another gospel, which you have not accepted...*" (II Corinthians 11:4).

Biblical examples also support the concept of the transfer of spirits. An example of the transfer of a good spirit is found in Numbers 11:16-17: "*And I will come down and speak with you: and I will take of the Spirit that is upon you, and I will lay it on them, and they shall bear the burden of the people with you*" (Numbers 11:16-17). The powerful anointing of YHWH on Moses was transferred

from him to these selected elders. They came under the influence of Moses. The same can happen with evil spirits. The evil spirit in one person (leader of a group) can influence the entire group that has a soul tie with the leader. This is also why Yeshua warns us not to call anyone else "leader". The spirit who is in him whom we accept as leader has the right to influence our souls.

Satan is an imitator. He uses the pattern set by YHWH, for the transfer of the Holy Spirit, to transfer unclean spirits to people. This powerful strategy of spirit transfer is responsible for many of the spiritual wars being fought by believers today. It is responsible for the sudden changes from positive to negative behavior that we see in those around us. It explains why two children, raised in the same home, receiving the same Christian training, can turn out so differently. It is the reason behind divisions in homes, friendships, and churches.

When you have close relationships or you come under the influence of a person with a spirit more powerful than yours, you are open to the transfer of that spirit. You are influenced by that spirit and it is transferred to you. That is why children and young adults are warned against the "wrong friends," because they have the wrong spirit in them, and it can be transferred. If you have someone who utters slogans like "Kill the farmer, Kill the Boer" as your leader, you are giving the unclean spirit in that person the right to be transferred to you. This unclean spirit then controls the people and the slogan can manifest itself in action.

This also applies, unfortunately, if we do not cancel the curse. People do not realize that their laxity (Spirit of laxity) controls them and this unclean spirit, which a person has allowed to enter, leads the person to end up in a situation where the aggressor can attack him/her.

This applies to many evils that befall people including rape, assault, molestation, murder etc.

This principle is even used in churches to get church members to blindly follow the church leader. We see this especially in churches where people give all their possessions and money to the church. There have also been examples where all the church members have committed suicide, drunk poison, walked on hot coals, etc.

YHWH has given spiritual counter strategies to prevent the transmission of an evil spirit:

- **PROTECT YOUR OWN SOUL:** Do not open a door that will allow unclean spirits to enter or influence you.
- **GUARD YOUR TONGUE:** As you have learned, the tongue can cause you to provide access to the enemy.
- **GUARD YOUR FEELINGS:** Don't give your respect and love to just anyone. You open yourself emotionally to those you love and respect and this makes you receptive to their spirit. (Soul ties).

- **CHOOSE YOUR FRIENDS AND ASSOCIATIONS CAREFULLY:** The book of Proverbs repeatedly warns about the danger of friendships and association with those who are unclean. If you walk with wise men, their spirit will be imparted to you: (Proverbs 13:20). The opposite is also true.
- **GUARD YOUR PHYSICAL SENSES:** You will remember from studying the flesh that your physical senses are important. Protect your hearing from gossip, accusations, slander, and criticism. They can cause you to receive a wrong spirit. Guard your eyes from violent and pornographic films or reading material that will bring in spirits of adultery, lust, violence, fear, and anxiety. You can not unsee what you have seen.
- **BE CAREFUL IN LAYING ON HANDS:** The "laying on of hands" is one of the foundations of the Christian faith that Paul spoke of in Hebrews 6:1-3. What is important to know here is that, as demonstrated in the story of Moses and the seventy elders, a pure spirit can be transferred by the "laying on of hands." If a pure spirit can be transferred by the laying on of hands, so can an evil spirit. Even in a church one must be very careful. Don't let the "spirit of laziness" control you.

## **THE HIGH PLACES**

It seems to be inherent in human nature to think of YHWH as dwelling somewhere in the heights. From

earliest times, people have chosen high places for worship, both where YHWH and false gods/idols were worshipped. In Old Testament times, these high places became the scenes of evil gatherings and human sacrifices associated with the worship of unclean spirits. Archaeological excavations have shown that Daggas were used in these places to be burned so that inhaling the smoke made it easier to communicate with the unclean spirits. Anything that intoxicates the human brain enables the unclean spirits to take over. This is why addiction to any substance is so dangerous. YHWH told Israel when they entered the Promised Land to drive out all the inhabitants of the land and destroy their high places: (Numbers 33:52) YHWH still asks that we avoid "spiritual wicked high places" and that we use spiritual warfare to fight them.

We must also keep our own personal high place, our mind, sacred, and avoid anything that could pollute our mind.

### **SPIRITUAL WICKEDNESS IN HIGH PLACES**

When Paul speaks of "spiritual wickedness in high places," he is referring to evil spirits that have infiltrated the religious systems of the world. They have even crept into the congregations of the righteous. Satan has organized his evil forces to imitate the organization of the true church of YHWH. But even more dangerously, Satan has set up his system right in the true church through evil men who have "crept in unaware" (Jude 4). Many

well-known churches and denominations have been infiltrated and the members of the churches are playing along beautifully because the unclean spirits control their minds. When we looked at the Freemasons, we saw how most of the leaders, including church leaders, were and still are members of the Freemasons.

### **SATAN HAS HIS OWN CHURCH**

Satan has taken over some of the churches known as the "Body of Christ" of which Jesus was the head: Satan has taken control and now it is "a synagogue of Satan": The name "synagogue of Satan" is not always used openly, but his synagogue includes churches established everywhere, where the true Gospel of the Lord Jesus Christ is not preached.

How do we know which church is the true church? The Bible says; test them by their fruits. The true gospel includes all the gifts of the Holy Spirit as well as the casting out of demons. The commission was also to make Disciples of the people. Which modern church does this?

### **SATAN'S DOCTRINE**

The Bible is filled with the true teachings of YHWH which is revealed by the Holy Spirit but there are also many versions of the Bible in which falsehoods have crept in and it is preached as if it is the word of YHWH. Satan is very clever and he knows what he may and what he may not do. That is why he is very clever in saying that it is a "version" of the word of God. You will be shocked to know

that the King James Bible is used by the Freemasons and the Mormons.

The word "Bible" means "book" - not "Word of YHWH." The "book" is a version of the Word.

The Holy Spirit is not allowed in most churches. IF you don't believe it, you can test it. Ask the pastor about speaking in tongues and casting out demons and you will see the response. A true church of YHWH will gladly apply both on a regular basis. Speaking in tongues and other gifts of the Holy Spirit are not present in most churches.

There are categories of demons called "seductive"; "religious"; "witchcraft"; and "Jezebel" spirits. Their specific work is to deceive church people. The "doctrine of devils" is any teaching presented as "truth" that is not in harmony with the Word of YHWH. Remember the "Word of YHWH" is Yeshua. One such example is that of Pastors who are associated with Freemasons. These Pastors preach the word and pray to god. (god is deliberately spelled with a "g") because it is not the true God. They call Satan their god. They even call him "our father".

Church-going people would never realize that they were worshipping Satan. The evil spirit of this Shepherd has overwhelmed and numbed their minds.

### **SATAN HAS A SYSTEM OF SACRIFICE**

In Romans 12:1 we are told to present ourselves to YHWH as a living sacrifice. This means we must

surrender in complete faithfulness to YHWH. Satan also demands sacrifices: "*But I say that the things which the Gentiles sacrifice, they sacrifice to demons, and not to YHWH; and I would not that ye should have fellowship with demons*" (1 Cor. 10:20).

People sacrifice their time and energy and money and even their behavior to Satan. Remember ALL sacrifice or service that is not to YHWH is sacrifice and service to Satan. There is no other god. (Satan use different names in different religions) For example, look at the taking of money during church services. This is done because the church wants more money and wants to make sure people give because they feel ashamed in front of other people. YHWH hates money (Mammon) and says we cannot serve Mammon and YHWH. YHWH does not want our money. Why then do the churches serve Satan in the church.

YHWH also said: "*the Holy Spirit will teach you.*" Churches say no – come to church we will teach you. Why? So that false teachings and unclean spirits can control the people.

### **SATAN HAS HIS OWN COMMUNION SERVICE**

The sharing of bread and wine in the Lord's Supper was initiated by Jesus as a way to remember His sacrifice for the sins of all mankind on the cross (1 Corinthians 11:23-34). Satan does this through his own communion: "You cannot drink the cup of the Lord and the cup of demons; you cannot be partakers of the Lord's table and

of the table of demons" (1 Corinthians 10:20). If we partake of the Lord's Supper in the wrong way and with the wrong attitude, it causes us to bring a curse upon ourselves. The Bible says that people will even die as a result.

The bread is the body of Yeshua and the wine is the blood of Yeshua. When we eat and drink it, we believe that the wine is taken into our body and then mixed with our blood, the blood of Yeshua is what mixes with our blood and changes us because the blood of Yeshua then cleanses and renews us. The same applies to the bread. The bread is the body of Yeshua that we eat and then the body of Yeshua is taken into every cell of our bodies and in this way, Yeshua renews us. We are thus healed spiritually. This can also result in physical healing. If we eat and drink the Word and the Holy Spirit then we will live forever. But if we eat the "unclean" and "drink the "unclean spirits" we will die forever.

Ever wondered why so few churches publicly stand up against Satan? How few churches are involved in spiritual warfare? Why? - are they for Satan and not against him? Remember, if you are not actively fighting Satan, you are fighting with him.

## **THE BAPTISM**

Abraham had to circumcise himself and all his descendants as well as all those who would become his spiritual descendants as a sign of their spiritual circumcision. Spiritual circumcision means rejection of

the devil. It was also a sign of their spiritual renewal as children of YHWH. In the same way baptism should be a sign that we have repented of our sins, have been spiritually circumcised from our "old man" and the devil, and we have turned away from Satan and we are now children of YHWH.

Satan's children are dedicated to Satan. Many people are dedicated to Satan before and immediately after birth without them even knowing it. Parents who worship Satan dedicate their children to Satan. They also transfer their unclean spirits to their children.

### **SATAN HAS SERVANTS**

YHWH has called some believers to serve as shepherds and minister to His church to preach the Gospel (1 Corinthians 12:28). Satan also has ministers: *"And no wonder, when he who is the adversary transforms himself into a messenger of light! It is therefore nothing great if his servants also present themselves as servants of impartial sincerity,"* (II Cor. 11:14-15)

This happens within the church. What is the role of a shepherd? To protect the sheep against attacks from evil enemies and to make sure the sheep know who the enemy is and what the enemy does. How many church pastors is involved with deliverance and spiritual warfare? How many pastors teach their flock about demons and spiritual warfare? Not many if any. Why?

The satanist has leaders in their own satanic churches as well. They do similar work as Christian pastors do. They are however more diligent and committed. They work all day and night to serve Satan.

### **SATAN'S GOSPEL**

The "gospel" of Satan is in conflict with the Gospel of YHWH. All religions that are not based on YHWH, the triune God, worship Satan. IF any anyone or any church denies Yeshua or the Holy Spirit or the gifts of the Holy Spirit or the commands of YHWH, they are not YHWH's children and church. It is idolatry. Idolatry is devil worship and the gospel of Satan.

Satanist and satanic organisations use the Bible. As was explained previously, the Bible is written in a way that anybody can use it. They just remove a few pages and chapters that might offend them.

### **SATAN HAS SUPERNATURAL POWER**

During the time that Israel was in Egypt, we read how the Magicians who were Satan worshippers caused the same plagues to manifest as Moses did. They received supernatural power from Satan. The demons in them caused the work of Satan to manifest. Thus, Satan can even take away people's diseases, because he made them sick. When he hands them out, he can take them away, thereby confusing people so that they think the person praying is a child of YHWH. The false teacher is then accepted as a genuine teacher.

Children of Satan receives other demonic powers such as exceptional strength, knowledge of all that is evil, being brilliant liars, deceivers, magicians, psychic powers, sorcery, etc.

### **TEST THE SPIRITS BY THEIR FRUIT**

Don't blindly accept that when something is done or said in a church it is right. Trust no man. Trust only in YHWH. Because Satan imitates the power of God through supernatural manifestations of miracles, signs, and wonders, God has provided a special method to evaluate ministries. You must evaluate the supernatural based on spiritual fruit.

Modern-day Witches/ Witches can also perform signs and even miracles. Make sure the person doing this is a child of YHWH.

### **THE AUTHORITY OF YHWH**

YHWH gives his children the authority to do the work that Yeshua did on earth. Acts 1:8. *“But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.”* Matt. 10:7-8 *“when you go, announce and say, ‘The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, cast out demons. Freely you have received, freely give.’”* John 14:12-13. *“He who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. Whatever you ask in My*

*Character and Authority, that will I do, that the Father may be glorified and praised in the Son. If you ask anything in My Character and Authority, I will do it."*

Always be aware that we as humans can do nothing on our own. We are only instruments in the hands of YHWH and by the authority given to us and allowing the power of the Holy Spirit to work through us, all these things can be done.

This authority and power enable YHWH's children to experience life to the fullest. We must use this authority and power to rebuke, bind and cast out the evil spirits around us.

Slandorous words such as "kill the sower, kill the farmer" should therefore have no effect on YHWH's children. The Bible teaches us, "*If YHWH is for us, who can stand against us?*" As children of YHWH we can call on Yeshua to defend us no matter what the situation, He will answer our call.

### **ANGELS AMONG US**

The Bible teaches us that: Heb. 13:2. "*Do not forget to do kindness to strangers, for through this some were content to entertain messengers (angels) without knowing it.*" (Angels are messengers.) in the same way that YHWH's angels can manifest and walk among us, so Satan's demons can manifest as well and walk among us. We must always be on guard, day and night. Many people

are visited by demons at night. They harass people with dreams, fantasies and visions.

Some people are dominated by demons and they say and do what the demons want them to say and do. Some people cannot even think for themselves anymore. Outwardly, it is a human but inwardly it is a demon or even Satan himself taking and acting. Get involved in deliverance work and you will see how the demons manifest and who they are and why they have the right to influence and control people.

### **SPIRITUAL VICTORY**

The spiritual victory can only be won on the spiritual level and in the spiritual realm. Only YHWH can help us. Yeshua and the Holy Spirit fight for us and through us and in us. Who can stand against us when YHWH fights for us. He who is in me is more powerful than anything or anyone outside of me. However, we must be alert and constantly familiarize ourselves with and stay informed about the enemy's weapons. Technology is developing at an astronomical speed and every day there is something new that is used against us.

There is now even an AI (Artificial Intelligence) Jesus who speaks to people. We must stay in our spiritual house built on the Rock (Yeshua) and not go wandering around in the dark. We should not open a door for darkness to enter. We must always have enough oil in our lamps to ensure that we reach the end of the road.

Imagine how different the world would be if all the churches worked together and all practiced spiritual warfare together. Satan would have been destroyed. There would be none of the evils of today.

Constantly search for the truth and stay informed, study and ponder on all that is good, make sure you find the truth in everything, and be on the lookout for the enemy's new disguises and strategies.

Satan cannot attack us without first getting approval from YHWH. Satan cannot enter if we have not opened or left the gate/door open. If YHWH were to allow Satan to enter without us opening a door/gate, it would be to test us. Do not fail the test. YHWH will never let us be tested without giving us a way out.

YHWH has already won the war, but we must overcome our personal skirmishes with Satan to prove that Satan has no hold on us. Satan (death), has been defeated and we have eternal life.

Put on the armour of YHWH, keep it on, and keep it clean and in good condition. Spend as much time as possible with YHWH, ask and you will receive, seek and you will find and those who have will receive more, a more abundant spiritual life.

Stay humble, trust and believe in YHWH.

**(Inserted by the Publisher)** God told us to implement:

**Isaiah 58: 6-14**

This is the fast that you should chose  
To break the bonds of wickedness  
To undo the cords of oppression  
And set free each and every yoke  
And to be set apart  
Not preventing the weak and afflicted  
From entering the household of YAHWEH  
Therefore, discern who is lost  
And help others and do not conceal yourself.  
Then shall break forth as dawn, the light of life  
Restoring quickly and growing abundantly  
Walking in the presence of righteousness  
And the glory of YAHWEH shall gather you  
Then you shall call YAHWEH  
And He will answer your call and say,  
Behold, if you remove from your midst  
The yoke of oppression by pointing the finger  
And declare it as wickedness  
If you cause the hungry soul to come forward  
The humble soul that desires to be saved  
To come out of the darkness into the light  
And wickedness and darkness will become as day light  
YAHWEH will guide you continuously and fill your desires  
In a drought your soul and body will be strengthened  
And you shall be like a well-watered garden  
and a spring of living water will flow from you  
That will not fail to refresh  
And you shall rebuild the places that were laid waste  
The ancient foundation of many generations shall rise up  
To close the breach in the wall  
to restore the pathway to walk on  
If you restore the day of YAHWEH  
Doing what delights YAHWEH for a day  
Separating a day to call on YAHWEH and to honour Him  
Not going your own way and not doing your own will  
Nor speaking your own words

Then you shall find joy in the presence of YAHWEH  
And it will cause you to journey to the high places  
And feed on the heritage of Israel (Jacob)  
Because YAHWEH have spoken

YHWH will bless you and keep you. YHWH will look upon you  
with compassion and be very good to you. YHWH will answer  
your prayers and give you peace.

To him who is thirsty I will give from the fountain of the water  
of life without cost. He who overcomes will inherit these things,  
and I will be his God, and he will be my son.
