

THE POWER OF DECEPTION

1. INTRODUCTION

Spiritual blindness is a well known topic but mental blindness has not been widely debated. Blindness must not be confused with forgetfulness or lack of intellect. Mental blindness occurs in people when they read, see, or hear something but they do not understand what it is that they hear, see or read. They see but they do not perceive and they hear but they do not understand.

Adam Weishaupt, organizer of the Bavarian Illuminati, said in Germany, "The most admirable thing of all is that great Protestant and reformed theologians who belong to our Order really believe they see in it the true and genuine mind of the Christian religion. *Oh! Man, what can't you be brought to believe!*" If so many Protestant theologians can be deceived so badly, what makes any one of us think that we cannot be deceived. Every single human being have been deceived although in varying degrees. If we were not, then we would not need salvation.

Christians argue that they have seen the Light and they have found the Way and they know the Truth. Jesus said I am the way, the truth, and the light and whoever finds Me will have life. But Jesus also said that many will come after Me that will call themselves Jesus and they will deceive many. This applies to many people that pretend to be Jesus and it also applies in a more subtle way where people manufactured their own Jesus in their own minds or they believe in a fake Jesus that was manufactured in someone else's mind. It is not the Jesus as explained in the Bible. If you take anything away or add anything to the Jesus of the Bible, it becomes a different Jesus.

We do not know what the world was like in the time of Adam and Noah and all those that came before Jesus. What we do know is that deception and misinformation were since the time of Adam, major role players in the lives of all people and it could hardly be worse than what it is at this point in time. If so many theologians can be deceived, then even the Bible must be read with

careful discernment of what is truth and what not. Some Bibles have been written by those deceived people and we must take utmost care to find the truth when reading some Bibles.

We have reached a point where no one person can confidently believe any other person on earth anymore. So many of those that one would thought should be trustworthy are not. One just cannot believe anybody anymore. People are not all deliberately untrustworthy, they are simply being deceived and misinformed and they perish due to a lack of knowledge. Family members cannot even trust each other anymore. Some of the authorities cannot be trusted and not even some of the religious leaders can be trusted anymore. We simply do not know who has been deceived and who not. The word Christian has lost its value and integrity as being the name given to a person that has found the way, the truth, and the life. So many Christians are following a false Jesus. They have become Churchians or Jesians or Religians. Very, very few remain faithful to Jesus Christ the Son of God. They have been deceived by the deceiver who pretends to be an angel of light.

The only ONE we can trust is God. The Bible says that we must work out our own salvation with fear and trembling and it has never been more applicable than now.

2. PREDESTINED – PROACTIVE

The word predestined, has become a swear word for many people. Predestined can also be seen as God being proactive. Proactive is a word all people loves to use. Replacing predestined with proactive is not to please people but to get people to understand the concept of predestination.

We use the word proactive when we refer to a situation where we know what the outcome will be and we take steps, before we reach the outcome, that will address the outcome. We know it is going to rain in the afternoon so we take an umbrella with to keep us dry. We are proactive. God did exactly the same when He created the Earth. God knew the outcome and he took proactive steps to address the outcome. Everything that happens is according to what God knew

will happen. Nothing is a surprise for God and God has put plans in place for whatever may happen. God did not plan for things to go wrong, but He did plan to address the wrong that has and will happen.

God is love and God is good. God cannot be bad. God do however allow evil (Satan) to do bad things to people so that God's plan can work out. All that is good comes from God and all evil comes from Satan. We must however be careful because in the same way that God can use evil to achieve good according to His plan, in the same way Satan can use good to achieve evil. Satan can even disguises himself as Jesus to deceive people and people go to church and worship the deceiver as explained by Adam Weishaupt.

3. IN THE BEGINNING

The Bible and human history starts with the creation of the earth and all that is in, on and around the earth. The higher heavens and the angels already existed before the creation of the earth.

The Bible starts by telling us what happened in the beginning. God (Trinity) created the earth and everything in, on, and around the earth and the very last thing to be created was man.

Man was created in God's image. Man was therefore created as "good". God gave man instructions as to what to do on earth. To tend to the earth and rule over all that God had created.

God did not say to Adam and Eve that they have free will to do as they please. Why not? Because they had no free will. They could only do what was good. The word bad or the concept of sin and bad did not exist. They could not sin and they could not do anything bad. Sickness did not exist. They had no evil thoughts. In fact, evil was only named after the fall of man.

God however gave Adam and Eve two choices and only two choices. They were free to choose either of the two. Why did God create man with a choice? We say that God knew in advance that Adam and Eve will make the wrong choice. Yes He did.

The two choices seemed fairly simple but the consequences were immeasurable. Adam and Eve had to choose between God and Satan. This statement and what follows will take many pages to explain to a person that do not agree with this statement. This is however not an attempt to argue for support for the statement. If you disagree then let us agree to disagree. C.S. Lewis wrote in one of his books and said that before we can disagree with another person, we must first earn the right to disagree and to earn the right we must be able to show that we have researched and studied the subject adequately enough for our opinion to be valued. Lewis was correct but we must add that once we have studied it all we must ask God for the answer because no human has all the correct answers.

Adam and Eve had to choose between God and Satan. Why? God wanted to test them to see whether they will do the same as Satan, when he turned against God. Remember when Satan turned against God, he was allowed to be on earth and in the first and second heaven. With Satan being on earth, God knew that Satan will try and convince man to follow him because he wanted his own kingdom. God therefore used Satan to test Adam and Eve. They failed the test and they died spiritually as God had warned them. The reward for sin was and still is spiritual death. When a person dies spiritually, the Spirit of God departs from that person.

A human has a spirit, a soul and a body. Our spirits comes from two possible sources – the Holy Spirit comes from God and unclean spirits come from Satan. Humans cannot be without a spirit and cannot function without a spirit. A human needs a spirit to control the human. We are slaves of God or slaves of Satan.

When the Holy Spirit departs from a person or is not in a person an unclean spirit enters that person.

Our souls are our minds/feelings/emotions. Our bodies are the physical and visible shape that contain our spirits and our souls. The spirit that is in us controls us. In most cases it is a very subtle way of control but in many cases it can be quite obvious. The fruit of the spirit tells us which spirit is in the person.

When Adam and Eve chose Satan, sin entered them. Sin is Satan, so Satan entered them and ruled their lives from then on. This was the beginning of what is called familiar spirits. We are all born in sin. We all have a familiar sinful spirit in us at birth. This familiar spirits exist in all families. The familiar spirit is passed on from one generation to the next. We can only get rid of this evil, familiar spirit when we are born again. When we are born again, we receive a new spirit, the Holy Spirit. Are being made new and we become a new creation. Our sinful spirit, we inherited from Adam and our new spirit we get from God.

We must be set free from our old sinful spirit during the process of repentance before we are baptised in Christ. Repentance means that we must turn our backs on our old sinful spirit, reject it, and remove it from ourselves and replace it with the Holy Spirit.

We must then allow the Holy Spirit to control us. Yes, this is one of the many difficult things we as humans battle with. Most people do not realise that they are not in control of their own lives. Those that do think that they are, are being deceived by Satan. You see, if you are in control of your own life you will make the same mistake as what Adam made in the beginning. The spirit of pride that makes you insist that you are in control is the same spirit of pride that will force you to make the wrong choice. In fact, if you believe you are in control, you have already made the wrong choice and Satan is still in control of your life. Mental blindness exist in your mind and Satan will make sure you remain blind for as long as he can.

4. THE CURE FOR MENTAL BLINDNESS

There is only one cure. We must give God full control of our lives. How do we do this? First of all we must be careful to not prescribe a “recipe” for the cure. There are different ways. God’s children come from diverse backgrounds and we cannot prescribe to God what He should do and how He should do it. The process of curing the disease must however include certain vital ingredients and people must ensure that they rely on God and God alone for help and guidance. Jesus said – “Come to me “ He did not direct people to go to a specific church or denomination or person. Jesus did not even say, “Read the

Bible” and you will find salvation. No, He said “Come to Me”. No book, no process, no person, no ritual, no church, no pastor, or anything other than Jesus can make you new again.

You have to come to the point where you acknowledge that you cannot do it by yourself. You must acknowledge that you have a sinful spirit and that you must divorce yourself from it as part of your repentance. You must have sorrowful repentance and sincerely ask forgiveness for all your sins. You must forgive all that has ever sinned against you. You must have faith in Jesus and you must ask Jesus to come into your life and be your Lord and Saviour. You must ask the Holy Spirit to fill you. You must glorify the God, the Father for your salvation. You must live and walk in the Spirit from that day forward. You must trust in God and God alone from that day forward. You must allow the Holy Spirit to guide you and to control your life – all of it.

5. THE END OF TIME

The end of time is near, much nearer than what most people think. The end of time means the end of our existence here on earth. Time does not exist in heaven or in hell. It is just “forever”. We enter our eternal state here on earth. Once we die a physical death we cannot be saved. I repeat that only those that are being deceived will disagree with these statements. We must find our eternal “home” while we are on earth.

You will find people that say that God had revealed to them that the sixth trumpet has been blown in heave. No one can tell any such person that he/she is wrong. When we walk in the Spirit and ask God for all our guidance and rely on God to help us make the right decisions, we do receive guidance, instructions, visions, dreams and other forms of communication from God. Once we have tested what we have received and found it to be from God we can tell others about it because we are sure that it comes from God. We must however test the “spirits” and ensure that we listen to God and that we are not being deceived.

The sixth trumpet indicates that one third of the people on earth will die once the trumpet has been sounded. Whether you accuse people of being conspiracist or not, you have to agree that what is currently happening in the world is indicating that a large number of people is going to die within the next few years. If you do not believe any of it, you should for your own sake rebuke and bind the unclean spirit that is causing your mental blindness in the name of Jesus, and command it to stop blinding your mind. If you seriously disagree with doing this, you should be very concerned. If you allow the Holy Spirit to control your life you will have no objection rebuking and binding any unclean spirit that wants to interfere with your mind. Jesus himself said that "I have come to destroy the work of the devil." Jesus also said that He has given us all authority and power to rule over evil. Once you have done this you will be sure that Satan is not blinding your mind and that you will be able to hear God's voice.

Covid and the vaccine has been developed to kill at least one third of the people on earth. Here is where our faith in God and our trust in God will save us. Pray and ask God for guidance. Do not trust anybody else, but make sure the answer comes from God. Do not pray out loud, if you do, you will not know who the answer comes from because Satan would have also heard your prayer and he will come and try to deceive you.

Do not allow the spirit of fear to enter you. As a child of God you do not have a spirit of fear. There is no need to fear anything or anybody. God is in control. It is all part of God's plan. God is using Satan to accomplish his proactive plan.

Ask yourself why God will expect you to take the vaccine. If you trust in God and have no fear of death, why take the vaccine? Covid is but a new strain of the flu virus. Those that die, die from complications. The same number of people that died annually from the flue/influenza/pneumonia have died from Covid during the first year. Any increase in the number of deaths are vaccine related. Do some research and listen to people such as Dr Shankara Chetty that has treated more than 7000 Covid patients without one fatality.

AT THE END OF IT ALL MAKE SURE YOU TRUST IN GOD AND GOD ALONE.
